**The Complete Works** John Bunyan,1877      **Adam's Gift** Jimmy Creech,2011-04-04 The inspiring first person account of a minister whose ordination credentials were revoked by The United Methodist Church after he performed same gender commitment ceremonies      *Leanne's Journey* J. R. Runnels, The wind howled like a banshee clawing at the ancient stone of Blackwood Manor its icy fingers rattling the leaded windows Inside Count Vlad a creature of both immense power and profound solitude sat bathed in the flickering light of a vast fireplace The flames danced in a macabre ballet casting long distorted shadows that writhed across the intricately carved oak paneling He was a study in contrasts a man of breathtaking beauty his pale skin stretched taut over sharp cheekbones his eyes the color of a stormy night cobalt blue to obsidian black yet his features held the harsh angles of a predator etched by centuries of darkness and a life lived far beyond the boundaries of mortality He sighed a sound like the rustling of dry leaves in the autumn wind He turned from the window his eyes falling upon a single perfect white orchid sitting in a crystal vase on his desk The delicate flower with its exquisite petals and intoxicating fragrance was a stark contrast to the grim reality of his life It was a gift a rare and precious thing one he'd sent to Leanne only hours before The thought of her a flicker of warmth in his otherwise desolate existence brought a faint smile to his lips Leanne was an anomaly a woman who somehow saw beyond the darkness that cloaked him who saw the heart of a man hidden beneath layers of cynicism and power She was his refuge his only true connection to the world of mortals Their bond was not a love story in the traditional sense rather an intricate dance between two souls seeking solace in a world consumed by shadows A quiet comfort in the darkness a fragile understanding that bloomed in the most unlikely of places And tonight he found himself anticipating her next visit her soft presence a glimmer of hope in the overwhelming solitude of his immortal existence Her past was not a gentle tapestry woven with threads of joy and comfort It was a harsh unforgiving landscape scarred by loss and etched with the marks of trauma Alexander then a mere lieutenant in Vlad's army was a figure sculpted from the very essence of the Carpathians themselves strong silent and impossibly lethal His eyes the color of an erupting volcano crimson red held a chilling intensity that spoke of countless battles fought and won his movements as fluid and deadly as a panther's But even in the midst of carnage a different kind of beauty bloomed It was in the quiet moments between battles amidst the ravaged landscape that Alexander met Leanna He had found her in town of Vlad's garden within his castle walls They started eating lunch together whenever they could Stolen moments during the day where Vlad could not touch them He did not know the extent of Vlad's obsession with Leanne or their lost connection Leanna with her hair the color of spun moonlight and eyes that held the wisdom of ages was the antithesis of the brutal world that surrounded them Her laughter a tinkling bell in the shadowed forests was a balm to Alexander's wounded soul a counterpoint to the constant symphony of violence that echoed through the Carpathians Vlad's rage was a physical thing a tangible heat that radiated from him as he tore through the opulent chambers of Blackwood Castle He'd spent weeks months even away leading his

brutal campaign across the ravaged northern territories his mind constantly returning to the vision of Leanne her laughter echoing faintly in the clang of steel and the screams of his enemies He'd entrusted her safety to Alexander his most loyal or so he'd thought knight a man bound to him by oaths of fealty older than the kingdom itself Who will Leanne choose to have a life with

**Human Sexuality and the Nuptial Mystery** Roy R. Jeal, 2010-03-08

This collection of essays was originally presented at the St Margaret's Consultation on Doctrine Liturgy and Preaching held at St Margaret's Anglican Church in Winnipeg Canada in 2008 They consider human sexuality and marriage from a distinctly theological rather than polemical standpoint aiming to avoid frequently polarized debates The interesting commonality indicated in the articles is that sex and marriage are not about self fulfillment but are outwardly directed aimed toward the other person toward growth maturity and deepened spirituality for the benefit of the church for productive good and for children The first section explores theological and ethical issues surrounding human sexuality and aims toward understanding the nature of relationships in these contexts The second section explores the spiritual nature of marriage and the history of thinking on marriage and family within Christian theology For those interested in pursuing truly theological engagement with marriage and sexuality this collection is required reading

**Firefly Wishes** Cindy

Agelwei, 2025-06-17 FIREFLY WISHES Jenna's journey to happiness and a new beginning is far from over Still fighting to find her place in her new life she continues to get knocked down Now facing the news that she's becoming a mother she's going to need to lean on her new family and friends for support and love This news comes with a huge shadow in the form of a question Whose baby is it Aaron and Jason fight to forever win Jenna's heart while balancing on the fact that the baby is one of theirs Jenna struggles with finding out the truth for fear of losing one of them As if the constant fear and struggle of finding out that truth wasn't enough Jenna has more obstacles to conquer With the threat of Frank gone Jenna thought everything would start falling into place She realized how wrong she was when the threats continued to come With Frank dead the need to know who picked up where he left off had everyone crowding and overprotecting Jenna making her feel trapped Even with everything happening at once to her Jenna knew she needed to figure out who completely and

unconditionally holds her entire heart in their hands When that truth is told will she lose the other one forever Heartstrings will be tugged Wishes will be made Lines will be crossed Bonds will be tested Join Jenna's journey through the tough and tougher Ride shotgun with her but buckle up There are plenty of bumps on her road to happiness Just when you think you know what lies ahead life reminds you it's unpredictable 2 **Munsey's Magazine**, 1896 **Macmillan's Magazine**
