**American Women Writers of the 19th Century** Heidi M. Hanrahan, 2025-04-03 The nineteenth century was a period of prolific literary production from women writers including figures such as Louisa May Alcott Harriet Jacobs and Zitkala a who played pivotal roles in American literary history Despite facing societal forces aimed at silencing them women writers found ways to assert their voices and contribute to the

intellectual and political debates of the era Their works contribute to conversations on a wide range of topics including art gender social reform slavery abolition economic and social inequality national expansion Native American dispossession and the changing identity of the nation Both retrospective and forward looking their written works found diverse audiences of men women and children This book functions as a comprehensive guide to understanding the breadth of nineteenth century women s writing exploring not only the writers and their texts but also the literary periods genres and key cultural historical and social movements that shaped their works By examining these authors impact on American literary traditions and their role in cultural discourse it highlights the lasting relevance of their work in both historical and contemporary contexts

*Program Organization of American Historians. Meeting,2005* Nigeria, Africa, and the United States Robert B. Shepard,1991 Shepard argues that U S policy toward Nigeria has never had much to do with what was going on there or in Africa as a whole Instead U S policy makers have seen what they wanted to see and proceeded accordingly He charts the changing face of a relationship which is in many ways typical of U S policy toward the nations of Africa the lesser known Nigerian side of the relationship is presented in illuminating detail Foreign Affairs lucid and straightforward It is well documented from sources both in the USA and Nigeria highly recommended The Round Table **OAH Newsletter** ,2004
