Three Angels, One Message John T. Anderson, 2012 Now would be a good time to remember the angels instructions The Three Angels Message comprise only seven of Revelation s 404 verses a tiny percentage of what John the revelator recorded Yet as God s final warning to a world enamored with sin these cryptic messages are highly significant What exactly is God warning the world about though And how is this warning relevant to you considering what is currently happening in our world If it s so important why isn t this portion of Scripture as well known as the Ten Commandments or the golden rule Within these pages John Anderson examines individual words and phrases to decipher clues embedded in the original language and searches the Bible for the context in which each word is used His careful investigation uncovers the veiled meaning of these messages by comparing scripture with scripture and reveals just how urgent God s warning is to every human on this planet today **Rediscovering the Kingdom** Myles Munroe, 2010-07-13
