Out The Vermont Secession :

Out! Frank M. Bryan,Bill Mares,1987 *Nullification and Secession in Modern Constitutional Thought* Sanford Levinson,2016-09-09 The Missouri legislature passes a bill to flout federal gun control laws it deems unconstitutional Texas refuses to recognize same sex marriages citing the state s sovereignty The Tenth Amendment Center promotes the Federal Health Care Nullification Act In these and many other similar instances the spirit of nullification is seeing a resurgence in an ever more politically fragmented and decentralized America What this means in legal cultural and historical terms is the question explored in Nullification and Secession in Modern Constitutional Thought Bringing together a number of distinguished scholars the book offers a variety of informed perspectives on what editor Sanford Levinson terms neo nullification a category that extends from formal declarations on the invalidity of federal law to what might be called uncooperative federalism Mark Tushnet Mark Graber James Read Jared Goldstein Vicki Jackson and Alison La Croix are among the contributors who consider a strain of federalism stretching from the framing of the Constitution to the state of Texas s most recent threat to secede from the United States The authors look at the theory and practice of nullification and secession here and abroad discussing how contemporary advocates use the text and history of the Constitution to make their cases and how very different texts and histories influence such movements outside of the United States in Scotland for instance or Catalonia or Quebec or even England vis vis the European Union Together these essays provide a nuanced account of the practical and philosophical implications of a concept that has marked America s troubled times from the build up to the Civil War to the struggle over civil rights to battles over the Second Amendment and Obamacare [The Vermont Manifesto](#) Thomas H. Naylor,2003-10-07 Not unlike other states Vermonts quality of life political independence and sustainability are threatened by Corporate America the U S government the war on terrorism homeland security American imperialism and globalization This is a call for Vermont to reclaim its soul to return to its rightful status as an independent republic as it once was between 1777 and 1791 In so doing Vermont can provide a kinder gentler more communitarian metaphor for a nation obsessed with money power size speed greed and fear of terrorism Long live the Second Republic of Vermont Reviews Vermont Manifesto is a serious examination of our God given right of self governance and that rights implication for secession Dr Naylor has made a persuasive case of the identical response to todays train of abuses that lead the Founders to secede from King Georges tyranny Walter E Williams John M Olin Distinguished Professor of Economics George Mason University In 1991 the Soviet Union was peacefully dissolved by the secession of 15 states It had become simply too large and centralized So has the American Union Thoughtful people from every side of the political spectrum are beginning to realize that the only check to the tyranny insecurity and spirit numbing mass culture that continued centralization would bring is to seriously consider breaking the American empire up into alternative unions and or smaller polities Professor Naylor is part of this debate and has made a compelling case that little Vermont would be better off out of

the Union than in it Donald W Livingston Professor of Philosophy Emory University I must assure you of my pleasure in and approval of your views on the Second Vermont Republic The assertion by Vermonters of a sensible foreign policy is wonderfully to the good You have my agreement and my admiration John Kenneth Galbraith Retired Harvard Economist In the idea of the three American states ultimate independence whether separately or in union I see nothing fanciful and nothing towards the realization of which the efforts of enlightened people might not be usefully directed It is to my mind neither fanciful nor unjustified for us to hold in mind at this time the whole problem of the future development of the relationship with the northern parts of this country and their immediate Canadian neighbors George F Kennan Former Ambassador to Russia and Professor Emeritus Institute for Advanced Studies Princeton Thomas Naylor makes a powerful case for an independent Vermont I think folks may soon be ready to consider the kind of wise and humane radicalism he recommends Bill Kauffman Author of Dispatches from The Muckdog Gazette There are very few radical thinkers Thomas Naylor is one of the most courageous of these Distinguished deeply moral genius wild man Carolyn Chute Author of The Beans of Egypt Maine Merry Men and Snow Man Tom Naylor makes a serious case for an independent Vermont a Second Vermont Republic that could immediately enter the world of nations and thereby begin the peaceful democratic and indeed moral process of disuniting the United States Frank Bryan University of Vermont Professor and Author of Real Democracy From the standpoint of puppeteers and their subversive papiermch the Vermont Second Republic sounds like a very good idea to fight the megalomania of the globalizers Peter Schumann Founder Bread Puppet Theater Vermont History ,1990
