

Outliers of Speculative Fiction

The background of the title is a full-page illustration of a desolate, alien landscape. In the foreground, a dark, rocky outcrop sits on the left. Beyond it, a wide, flat, and desiccated plain stretches towards the horizon. The sky is filled with swirling, dark clouds. Dominating the upper right portion of the sky is a massive, pale, and heavily cratered celestial body, resembling a giant moon or a nearby planet, which casts a soft, ethereal light over the scene.
