OUTLINE STUDIES IN CHRISTIAN DOCTRINE. Chloe Breyer, 1926 Systematic Theology, Volume 1, Fourth Edition James Leo Garrett, 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman

Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease **Outlines of Christian Doctrine: ten sermons** Charles Beard,1859

King,2011-08-05 Employing studies in population ecology as a framework for understanding the growth of religious movements Disfellowshiped traces the growth of the Pentecostal movement The author explores how the Pentecostal movement developed in relationship to Fundamentalism from its roots in the Holiness movement to the formation of the National Association of Evangelicals Particular attention is given to the various critiques and rebuttals exchanged between Fundamentalists and Pentecostals exploring how these two movements influenced and shaped one another This book shows how despite their mutual antagonism these two movements held far more in common than in contrast This book will be of great importance to all those interested in the history of Fundamentalism and the rise of Pentecostalism [Introducing Christian Doctrine](#) Millard J. this biblical mandate Through the use of Scripture and illustration Preacher and the Bear will enable the follower to live more aware of God appointed opportunities to see who their real audiences are and know how they might be more effective among them Preacher and the Bear encourages a respectful investment into the lives of others who curiously and cautiously seek us out In quiet and sensitive cooperation with the Holy Spirit relationships are born and God is pleased to work in that environment Moreover as the soil of our own hearts is conditioned it affects the entire landscape of our experience Through engaging narrative and thought provoking ideas Preacher and the Bear will empower individuals to reconsider what they think about evangelism and how they might more effectively engage the communities God places them in Christian Theology in Outline William Adams Brown,1906 An Outline of Christian Theology William Newton Clarke,1894
