Closing his firm in 1964, Durr began to lecture in the United States and abroad. He died at his grandfather's farm in 1975.

Jessica Mitford was one of the notorious Mitford girls, always known as Decca, and grew up in a life of Downton Abbey aristocratic privilege. In 1937, when Esmond was 18 and Jessica 19, they met and fell madly in love and scandalously ran away together to the Communist Front in Spain. After three months of family opposition, they were finally married. With war ever approaching, Esmond trained to fly and was killed in active service with Bomber Command. They had only had four brief, tempestuous and loving years together.

**Southern Culture** John J. Beck, Aaron J. Randall, Wendy Jean Frandsen, 2007. From the very beginning, the South was different. The source and significance of this difference has been debated and discussed for over 200 years. In recent decades, the demise of the South as a regional culture has frequently been predicted, although now some scholars and journalists are maintaining that it is proving to be remarkably resilient and is actually having an ever greater influence on the broader American culture. *Southern Culture* examines the origins and evolution of the region's culture and focuses on six key patterns that have defined it: agrarianism, class relations, race relations, gender, and family traditions, evangelical Christianity, and political traditions. *Southern Culture* also explores the products of the culture, with major sections on dialect, painting, architecture, pottery, music, literature, and icons and myths. It concludes with essays by each of the authors in which they reflect on where Southern culture is headed.
