How to Give Your Kids \$1 Million Each! Ashley Ormond, 2011-09-19 This book appeals to every parent's desire to provide wealth and security for their children taking a simple, fun, low-risk approach. Ashley Ormond outlines a very simple plan for parents not only to build wealth for their kids but also to help teach them about money, how it works, how to manage it, and how to make it grow. In a nutshell, the plan is 100 per day, 1 hour per month financial security for life. If parents start on the plan when the child is born, put a dollar a day into an investment fund, invest in growth assets, and reinvest all the earnings, the fund will grow to 1,000,000 when the child is 50 years old. As soon as your kids are old enough, you are encouraged to get them involved in their very own savings plan. The book comes with a money box that your children can cut out and piece together and start filling up. Sydney author Ashley Ormond has spent 25 years in the finance industry, 15 years in major banks and 10 years as a private consultant. He is a semi-retired 40-something and, as well as embarking on a career as an author, he sits on various boards. Ashley draws on his personal experience in developing the plan for his own two kids and his many years in the finance industry, giving people financial solutions that actually work.
