levels of entertainment to consumers everywhere providing the richest most abundant aggregate of motion pictures and cinematic television the world has ever seen Behind the facade however things are not as pleasant A very costly paradigm shift is underway altering not only conventional business and finance models but also threatening long established avenues of entertainment such as movie theaters traditional television and home video and wreaking havoc on independent filmmakers and veteran producers alike This book attempts to make sense of ongoing economic and creative shifts of infrastructure and intellectual property to understand where the industry is headed and to distinguish which business models should be maintained and which ones should be left behind Featuring exclusive interviews with some of the industry's most prolific filmmakers and executives it dives into the trenches of Hollywood to provide readers with the knowledge necessary to rethink the business see past the turmoil recognize the new opportunities and take advantage of exciting new possibilities Change sparks innovation and innovation brings about great opportunity but only for the well informed and prepared

**Rock Brands** Elizabeth Barfoot Christian, 2010-12-22 Rock Brands Selling Sound in a Media Saturated Culture edited by Elizabeth Barfoot Christian is an edited collection that explores how different genres of popular music are branded and marketed today The book's core objectives are addressed over three sections In the first part of Rock Brands the authors examine how established mainstream artists bands are continuing to market themselves in an ever changing technological world and how bands can use integrated marketing communication to effectively brand themselves This branding is intended as a protection so that technology and delivery changes don't stifle the bands success KISS AC/DC Ozzy Osbourne Phish and Miley Cyrus are all popular musical influences considered in this part of the analysis In the second section the authors explore how some musicians effectively use attention grabbing issues such as politics for example Kanye West and countless country musicians and religion such as with Christian heavy metal bands and Bon Jovi in their lyrics and also how imagery is utilized by artists such as Marilyn Manson to gain a fan base Finally the book will explore specific changes in the media available to market music today see MIA and her use of new media and similarly how these resources can benefit music icons even after they are long gone as with Elvis and Michael Jackson Rock Brands further examines gaming reality television and social networking sites as new outlets for marketing and otherwise experiencing popular music What makes some bands stand out and succeed when so many fail How does one find a niche that isn't just kitsch and can stand the test of time allowing the musician to grow as an artist as well as grow a substantial fan base Elizabeth Barfoot Christian and the book's contributors expertly navigate these questions and more in Rock Brands Selling Sound in a Media Saturated Culture

**Franchise Era** Fleury James Fleury, 2019-04-01 As Hollywood shifts towards the digital era the role of the media franchise has become more prominent This edited collection from a range of international scholars argues that the franchise is now an integral element of American media culture As such the collection explores the production distribution and marketing of franchises as a historical form of media making analysing the complex industrial practice of managing

franchises across interconnected online platforms Examining how traditional media incumbents like studios and networks have responded to the rise of new entrants from the technology sector such as Facebook Apple Amazon Netflix and Google the authors take a critical look at the way new and old industrial logics collide in an increasingly fragmented and consolidated mediascape   **Entertainment Industry Economics** Harold L.
