### **The Pick'n Mix Diet**

Michael Gleeson, 2020-12-01 So often people equate being slim with being healthy and with so many people searching for ways to lose weight dieting books are in abundance But so few of these books actually back their information with scientific research and proven weight loss methods instead relying on celebrity to sell the latest fad They often do little to help people achieve their weight loss goals leading to frustration and even excess weight gain That s where The Pick n Mix Diet comes in With this book you will lose weight by using a very different approach from other diet and nutrition books Unlike those books the weight loss plan presented here doesn t require sticking to the same boring diet for several months but rather incorporates 10 different diets that can be changed every week These diets include reduced carb reduced fat high protein low energy density Japanese flexitarian and various intermittent fasting diets all backed by scientific evidence By picking and mixing various diets you will prevent dieting boredom have fewer cravings and will be more likely to stick to your weight loss plan More importantly the variety will ensure there are no nutrient deficiencies In addition the diets are combined with light to moderate exercise so that you will only lose fat not lean muscle Sticking to one boring diet for weeks on end is not the way to lose weight Rather this novel but evidence based approach to weight loss is guaranteed to be effective healthy and safe With The Pick n Mix Diet you can achieve any weight loss goal
