How to Make Money Creating YouTube Videos Without Showing Your Face Bolakale Aremu, 2024-03-02 In this book I'll show you how to make money by creating videos on YouTube without recording your face or voice. This is going to be a straight to the point training that shows you exactly what to do. It's going to have no fluff. It's not going to be like other trainings that just talk about theory. You're going to walk away from this book with actionable information that you can take action on right now. Specifically I'll go over four different powerful secrets for doing this.

[Find Your Next: Using the Business Genome Approach to Find Your Company's Next Competitive Edge](#) Andrea Kates, 2011-10-18 THE NEXT BIG THING IN BUSINESS INNOVATION FROM THE NEXT GENERATION S BRAND WHISPERER What can an oil company Pennzoil learn from a great place to hang out Starbucks to create a new customer experience Jiffy Lube If you're a manager an executive or an entrepreneur you understand that your business is unique with its own challenges and rewards But thanks to the new science of the Business Genome process you'll be surprised to see how many businesses share a similar genetic structure And by understanding what works and what doesn't for your business's genomic type you can play to your strengths adapt to your weaknesses and change the course of your company's future Business Genome project creator Andrea Kates calls it Find Your Next a field tested customized blueprint for mapping out your business DNA in four powerful steps 1 Sort through your options and assess your hunches 2 Match your genome to other successful business models 3 Hybridize your company by grafting new ideas with proven successes 4 Adapt and thrive by breaking old habits and starting new trends This high impact transformative guide walks you through every step of the process combining intuition and experience with statistical data and fascinating case studies You'll learn how two unrelated businesses Hyatt Hotels and Sharp HealthCare discovered untapped opportunities in their customer experience You'll read how General Motors and OnStar hit the jackpot by examining something that wasn't there You'll find in depth interviews with GE's Mark Vachon IndieGoGo's Danae Ringelmann P F Chang's Rick Federico and other leaders of innovation And you'll learn how to crack the genetic code behind the six essential building blocks of business product and service innovation customer impact talent leadership and culture process design trendability and secret sauce Once you unlock the secret of your company's DNA you can evolve your strategy build your future and find your next PRAISE FOR FIND YOUR NEXT When you add it all up this is indeed a time of great change and arguably much of what we know about management today is becoming obviated Which is why Find Your Next is such a helpful contribution to every manager's arsenal It embraces the shift from industrial models to models for the 21st century And it's a great read packed with great stories and tons of practical advice Read enjoy and prosper Don Tapscott from the Foreword of Find Your Next Every great strategic thinker uses the ideas in this book but it took Andrea Kates to write them down for the rest of us Seth Godin author of We Are All Weird Andrea Kates is this generation's new brand whisperer and Find Your Next is the best toolkit for landing on your company's next Lane Cardwell

President P F Chang's China Bistro Andrea Kates's ideas about the Business Genome project are cutting edge. They will completely transform the way we think about the impact of cross organizational connections as a way to fuel business growth. James Fowler, author of *Connected: The Surprising Power of Our Social Networks and How They Shape Our Lives* and Professor of Medical Genetics and Political Science at UC San Diego, *Find Your Next* combines radical thinking, innovative insight and real world experience to give corporate leaders a powerful compass in this era of unprecedented economic challenge. Catherine Crier, former judge, journalist and New York Times bestselling author. Years ago I thought about what was next for music fans and turned to lessons learned from NASCAR and the NFL, not other musicians to come up with the inspiration for the Lollapalooza festival. That's exactly what *Find Your Next* provides: an easy to follow guide to game changing innovation based on cross industry thinking. Perry Farrell, founder of Lollapalooza festival and legendary rock frontman for Jane's Addiction. The difference between a great idea and a great business result is the ability to integrate insights from lots of different sources and get an entire organization on board quickly. Kates is onto something truly novel. *Find Your Next* could easily become the new industry standard for innovation. A must read. Mark Vachon, GE Company Officer. If you thought you've been thinking creatively about your business, get ready for a new ride. In her book, Andrea Kates describes the Business Genome approach: a radically fresh roadmap to infuse innovative change into your business. Pure magic. Nick Pudar, Vice President Strategy, Adjunct Lecturer, Farley Center for Entrepreneurship and Innovation, McCormick School, Northwestern University, and independent innovation consultant. *Find Your Next* brings together a collection of insights and approaches that challenge everyone in an organization from the CEO to the front line to be nimble and build new muscles for rapid innovation. It disrupts the patterns of incremental growth from traditional strategic planning. The result is a process that can get your organization to market faster and leapfrog the competition. Alistair Goodman, CEO, Placecast.

Now What? Michelle Loucadoux, 2020-12-15. It is often assumed that successful artists have made it forever when they are discovered by a producer, director or agent. But the reality is that a career in the arts requires research, careful planning, networking, financial prowess, thoughtful specificity and dedication to creating a career with longevity. *I'm Talented: Now What?* helps aspiring performing artists make actionable plans to pursue a successful, financially stable career. Using dozens of exercises and templates throughout, Michelle Loucadoux fosters creativity, specificity and practicality through a 16 week workbook suitable for arts courses. Topics include how to create a marketing plan, presenting a brand specific to goals and building a network of industry related contacts. Actors, singers, dancers, musicians and other creatives will find this book useful in becoming entrepreneurial in their approaches. [American Entomologist](#), 2009 **Drugs and Popular Culture in the Age of New Media** Paul Manning, 2013-10-08. This book examines the history of popular drug cultures and mediated drug education and the ways in which new media, including social networking and video file sharing sites, transform the

symbolic framework in which drugs and drug culture are represented Tracing the emergence of formal drug regulation in both the US and the United Kingdom from the late nineteenth century it argues that mass communication technologies were intimately connected to these control regimes from the very beginning Manning includes original archive research revealing official fears about the use of such mass communication technologies in Britain The second half of the book assesses on line popular drug culture considering the impact the problematic attempts by drug agencies in the US and the United Kingdom to harness new media and the implications of the emergence of many thousands of unofficial drug related sites

Far-Right

Newspeak and the Future of Liberal Democracy A. James McAdams, Samuel Piccolo, 2024-04-23 This book is the first systematic multicountry exploration of far right Newspeak The contributors analyze the ways in which contemporary far right politicians intellectuals and pundits use and abuse traditional liberal concepts and ideas to justify positions that threaten democratic institutions and liberal principles They explore cases of both far right and right wing thought in eastern and western Europe the United States and Canada Subjects include well known figures such as Marine Le Pen Tucker Carlson Peter Thiel Nick Griffin Thierry Baudet Jordan Peterson Russell Brand and Viktor Orbán and lesser known names such as the Czech politician Tomio Okamura and the Internet personality Raw Egg Nationalist The contributors examine these figures claims about hot button issues including immigration Islam race Covid 19 policies feminism monetary policy and free speech The book demonstrates that mainstream politicians and intellectuals are at risk of losing control over the definitions of the very concepts including equal rights racial and ethnic diversity and political tolerance that undergird their vision of liberal democracy It will be of interest to scholars journalists policymakers political scientists historians political theorists sociologists and general audiences concerned about the sophisticated efforts of far right and right wing politicians and pundits to undermine the foundations of liberal democracy
