**Global Warning** Steven B. Frank,2023-03-21 A group of 12 year old friends concerned about climate change proposes a new way to save the earth amending the U S Constitution Their project propels these activists on an amazing journey across America and all the way to Norway with plenty of outside the box hijinks and civil disobedience as they work to save the planet and their futures on it For sixth grader Sam Warren and his friends Catalina Alistair Jaesang and Zoe the effects of climate change are too pressing to ignore Adults don t seem to be up to the challenge of taking action to make real change but kids know it s their futures on the line If their parents teachers and government officials won t step up well then they will And these young people will stop at nothing to save the planet and their futures on it With a little help from a retired kids rights lawyer and a grandma who knows how to march they are ready to think big Constitutional amendment big But can a bunch of 12 year olds really draft an amendment

that protects the planet get it to pass in Congress and change enough hearts and minds across the country to get it ratified before the clock runs out Steven B Frank crafts another funny and fast paced story of heightened reality wish fulfillment loaded with the witty patter of smart kids in this book that reads like Aaron Sorkin for middle grade and plumbs the complexities of the Constitution and the critical turning point of global climate change
