[The Day the Internet Died \(full-length version\)](#) Jason Pizzarello, Ian McWethy, 2022-05-31. On a sunny day in the town of Bloomington, a devastating occurrence happens. No, it's not famine or floods or loss of your basic rights. The internet has gone down. And it will continue to be down for a week. A whole week. Pandemonium. In a world that is so dependent on the internet for shopping, mailing, and posting pictures of cute babies, how will society function? Not well, as it turns out. *The Day the Internet Died* hilariously explores how inept we are at dating, research, and basic human interactions when we don't have a screen to look at. A one-act version is also available. Comedy. Full length 70-85 minutes. 10-50 actors, gender flexible.
