tedious and heavy to my reader in a world where he finds diversions for every minute new and strange But we who were perfectly charmed with the character of this great man were curious to gather every circumstance of his life **Oroonoko** Aphra Behn,2021-07-18 Oroonoko or the Royal Slave is a short work of prose fiction by Aphra Behn 1640 1689 published in 1688 by William Canning and reissued with two other fictions later that year The eponymous hero is an African prince from Coramantien who is tricked into slavery and sold to British colonists in Surinam where he meets the narrator Behn s text is a first person account of his life love rebellion and execution Behn often cited as the first known professional female writer 1 was a successful playwright poet translator and essayist She began writing prose fiction in the 1680s probably in response to the consolidation of theatres that led to a reduced need for new plays 2 Published less than a year before she died Oroonoko is sometimes described as one of the earliest English novels Interest in it has increased since the 1970s with critics arguing that Behn is the foremother of British women writers and that Oroonoko is a crucial text in the history of the novel

Alexandra Baum, 2014-12-18 Seminar paper from the year 2014 in the subject English Language and Literature Studies Literature grade 2 7 University of Freiburg Anglistik Amerikanistik language English abstract Aphra Behn's narrative Oronoko or the Royal Slave was published one year before her death in 1688 at a time when the Atlantic Slave Trade and African Slavery were in full blossom as a result of European Colonialism. The story is about the curious case of the gallant prince Oronoko who got pulled into slavery and was deported to the British colony of Surinam in the 1660's. Behn's work combines different genres of texts such as the travel narrative the romance but most importantly social criticism. Although Oronoko is regarded as a literary work by many scholars that has advanced and supported the cause for the abolition of slavery in Britain as well as in its colonies it is in fact a non anti-slavery text. The author does not touch the pressing issue of slavery as such because she presents us with a rare and exceptional kind of slave. Nevertheless the book clearly illustrates through the depiction of its hero the injustice cruelty and arbitrariness of slavery that has been brought upon the African peoples by European Colonialism. In this paper I will show Behn's unusual presentation of a royal slave in order to criticize British Colonialism first by giving a brief overview on Transatlantic African slavery that is portrayed in early modern literature second by analyzing the depiction of slaves in Behn's narrative with a special focus on Oronoko the royal slave and finally by illustrating Behn's necessity for choosing a tragic hero who could have never been protected from the depths of slavery by his royal status.
