## **Orphanage Jason Wander:**

*Orphanage* Robert Buettner,2008-04-01 When earth needs heroes whom will we call to valor When mankind's enemy is beyond our worst imagination who will be our champions Will we pick the brightest and the toughest Or the ones with nothing left to lose War is an Orphanage Mankind's first alien contact tears into Earth projectiles launched from Jupiter's moon Ganymede have vaporized whole cities Under siege humanity gambles on one desperate counterstrike In a spacecraft scavenged from scraps and armed with Vietnam era weapons foot soldiers like eighteen year old Jason Wander orphans that no one will miss must dare man's first interplanetary voyage and invade Ganymede They have one chance to attack one ship to attack with Their failure is our extinction

**Orphan's Journey** Robert Buettner,2011-10-13 In the years since the last Slug War Jason's command style hasn't made him any friends in the Army Now in an effort to keep him out of trouble the Army has sent Jason to the vast Earth orbiting resort called New Moon At the core of this enormous space station is a starship a relic from the last war When a test run of the ship goes wrong Jason along with a handful of others will be torn from orbit and thrust into space Now stranded on an alien planet Jason realizes that not only are his friends are looking to him for rescue but an entire planet sees him as their only hope

**Orphan's Destiny** Robert Buettner,2011-10-13 The battle of Ganymede taught Jason Wander about the devastation of war After seeing the deaths of his troops as well as his lover this battle scarred soldier is ready for peace At twenty five General Jason Wander has fought and won man's only alien conflict Now after long years in space he's coming home but to what Earth's desperate nations impoverished by war damage and military spending are slashing defence budgets There's just one problem with this new worldwide policy the first alien invasion was merely Plan A Suddenly the real assault begins Earth is attacked by a vast armada of city sized warships To block their invasion mankind has only one surviving craft and a single guerrilla strike force a suicide squad led by Jason Wander

**Orphan's Triumph** Robert Buettner,2011-10-13 Mankind's reunited planets now control a vital crossroads after forty years of fighting one that secures their uneasy union The doomsday weapon that can end the Slug war and the mighty fleet that will carry it to the Slug homeworld also lie within humanity's grasp but all is far from won Since the Slug Blitz orphaned Jason Wander he has risen from infantry recruit to commander of Earth's garrisons on the emerging allied planets But four decades of service have cost Jason not just his friends and family but his innocence Then an enemy counterstroke threatens to reverse the war and destroy mankind Jason must finally confront not only his lifelong alien enemy but the reality of what he has become after a lifetime of conflict
