Our Hands are Stained with Blood Michael L. Brown, PhD, 2019-09-17 Every Christian must read this shocking account of the Church's history. The pages of church history are marked by countless horrors committed against the Jewish people. From the first persecutions of the Jews in the fourth century to the horrors of the Holocaust from Israel bashing in today's press to anti-Semitism spouted from the pulpit, this painful book tells the tragic story that every Christian must read. In a freshly updated and expanded edition of this pivotal work, Dr. Michael Brown exposes the faulty theological roots that opened the door to anti-Semitism in Church history, explaining why well-meaning believers so often fall into the trap of hate and showing how you can bring an end to the cycle of violence. This generation can make a difference. Now is the time for change. Discover the important role you play in helping to shape a Church that will bless Israel rather than curse Israel.
