Our Lady At Garabandal:

Our Lady at Garabandal Judith M. Albright,1992 **Garabandal : apparitions of the Blessed Virgin Mary as Our Lady of Mount Carmel** Béatrice Caux,2001 **Our Lady of the Nations** Chris Maunder,2016 Our Lady of the Nations is a detailed and scholarly overview of the apparitions of Mary in 20th century Catholic Europe Chris Maunder discusses apparitions in general and how they are interpreted in Catholicism by for example Karl Rahner and Benedict XVI The role of women and children as visionaries is considered including issues concerning changing views of gender children s spirituality and the protection of minors He covers cases that are well known and approved by the Church Fatima Beauraing Banneux and Amsterdam others that are well known but not approved such as Garabandal and Medjugorje and many that are neither well known nor approved such as those in Belgian Flanders or Nazi Germany in the 1930s or in France Italy or Germany after the Second World War Resources include academic studies of particular apparitions some Catholic theological and devotional literature and occasionally travel writing There is also coverage of material in French which is not known to the English reader Shrines and visionaries are believed to be indicators of the presence of Mary In the visionary perspective she has appeared in order to reassure her followers and to warn of divine judgement Her messages echo doctrinal Catholic Mariology with some innovations but also express a deep dissatisfaction with the events and trends of the 20th century from communism to Nazism to liberalism and religious indifference While the Marian cult evolves according to new templates for apparitions and developments in Mariology the fundamental message of presence consolation and admonition remains constant

Encountering Mary Sandra L. Zimdars-Swartz,2014-07-14 In the past two centuries hundreds of apparitions of the Virgin Mary have been reported drawing crowds to the seers and the sites and constituting events of great religious significance for millions of people worldwide Here Sandra Zimdars Swartz provides a detective like investigation of the experiences and interpretations of six major apparitions including those at La Salette and Lourdes in France during the mid nineteenth century at Fatima Portugal in 1917 and the more recent ones at San Damiano Italy Garabandal Spain and Medjugorje Yugoslavia where the apparitions continue Adopting a phenomenological approach to these encounters with Mary one that is neither apologetic nor antagonistic the author explores the tension between the personal meaning of the events for their subjects and the public appropriation of this meaning by a larger religious community Along the way she examines the backgrounds of the seers their willingness or reluctance to talk about the apparitions and their messages the amount of emotional support they received from family and community as news of the apparitions spread the reports of miracles at apparition sites the reactions of local authorities and the steps taken by the Roman Catholic Church in officially recognizing or rejecting the apparitions as worthy of belief The author concludes with a survey of religious worldviews based on Marian apparitions focusing especially on the now popular transcultural apocalyptic nature of these messages to the modern world Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again

About the Anti-Christ Angelita Felixberto,2021-06-30 The book is divided into two parts The first one talks about my mystical experiences in relation to four Marian apparitions It talks about almost a uniform warning about a period of chastisement and how current events seem to fit the bill The second part of the book deals with what four saints have talked about pertaining to the anti Christ There was a prophecy that the Vatican will apostatize Some references by the Saints seem to reflect it so

The Last Warnings Jerald James,2017-09-07 I give you these pages only to prepare you for what is to happen between 2017 and 2029 The world will end just before 2100 Finally all that I have told my children for the past forty years are coming to pass Read these pages seriously please Pay close attention to page 29 and to Our Lady of La Salette on page 3 and the true possible dates given by saints of this century God reveals Satan's Plan going into action and allowing his vicar Pope Leo XIII to hear the conversation but the total conversation was given to St Marie Julie Jahenny a French mystic and stigmatist tells of the ending times and the great change that will take place creating a new church with new preachers wolves in sheep's clothing new sacraments new temples churches like the Novus Ordo Our Lord said the elect would be deceived in the latter times He wondered if he would find anyone holding firm to the true faith at the end of time Learn who Luisa Piccarreta is and what she is trying to tell you about the Divine Will in the sixth period

Richard L. Carroll,1993-02 Of Queen and Prophets Gregory M. Rolla,2011-07-20 Of Queen and Prophets The Garabandal Events and The End of The Times presents Mary as a prophetic voice in the contemporary Church fulfilling her role as did the prophets of the Old Testament in the spirit and power of Elijah She comes directly to a confused and persecuted Church in our day offering us a way out of the present quagmire And that way out of course is reminding us that it is only through Her Son The author also discusses Mary's place in Catholic eschatology Several recognized Marian visitations from the 17th through the 20th centuries prior to 1960 are also examined which then brings us to the alleged presence of Our Lady at San Sebastian de Garabandal Spain 1961 1965 a small village in which she visited over two thousand times in the course of four years It is not an exaggeration to say that Mary lived in Garabandal for that length of time Through the seers she visited every home and family at one time or another including the church and cemetery If what was revealed at Garabandal proves

true the following events will soon shake the world a worldwide tribulation caused by Communism resulting in a great trial for the Church a Divine Warning that will bring the tribulation to an end and that will be experienced by every living person in the world where we shall be shown all of the wrongs we have committed a Great Miracle worked at Garabandal for the conversion of the world out of God's Mercy and Love for us and a conditional Chastisement if humanity does not change It is a clarion call to prayer and penance for the good of our souls and our eternal destiny in Christ
