## **Our Man In Havana Penguin Classics:**

**Our Man in Havana** Graham Greene, 2007-07-31 MI6 s man in Havana is Wormold a former vacuum cleaner salesman turned reluctant secret agent out of economic necessity To keep his job he files bogus reports based on Charles Lamb s Tales from Shakespeare and dreams up military installations from vacuum cleaner designs Then his stories start coming disturbingly true First published in 1959 against the backdrop of the Cold War Our Man in Havana remains one of Graham Greene s most widely read novels It is an espionage thriller a penetrating character study and a political satire of government intelligence that still resonates today This Penguin Classics edition features an introduction by Christopher Hitchens For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

**Our Man in Havana** Graham Greene, 1972 **Penguin Classics** Penguin (Firm), 2001 [Penguin Classics Complete Annotated Catalog](#) Penguin Books, 2003 [The Heart of the Matter](#) Graham Greene, 1969 In this widely acclaimed modern classic

Graham Greene delves deep into character to tell the dramatic suspenseful story of a good man s conflict between passion and faith A police commissioner in a British governed war torn West African state Scobie is bound by the strictest integrity and sense of duty both for his Colonial responsibilities and for his wife whom he deeply pities but no longer loves Passed over for a promotion he is forced to borrow money in order to send his despairing wife away on a holiday When in her absence he develops a passion for a young widow the scrupulously honest Catholic finds himself giving way to deceit and dishonor Enmeshed in love and intrigue he will betray everything he believes in with tragic consequences The Heart of the Matter is one of Graham Greene s most enduring and tragic novels

**Intercourse** Andrea Dworkin, 2009-09-14 Intercourse is a book that moves through the sexed world of dominance and submission It moves in descending circles not in a straight line and as in a vortex each spiral goes down deeper Its formal model is Dante s Inferno its lyrical debt is to Rimbaud the equality it envisions is rooted in the dreams of women silent generations pioneer voices lone rebels and masses who agitated demanded cried out broke laws and even begged The begging was a substitute for retaliatory violence doing bodily harm back to those who use or injure you I want women to be done with begging The public censure of women as if we are rabid because we speak without apology about the world in which we live is a strategy of threat that usually works Men often react to women s words speaking and writing as if they were acts of violence sometimes men react to women s words with violence So we lower our voices Women whisper Women apologize Women shut up Women trivialize what we know Women shrink Women pull back Most women have experienced enough dominance from men control violence insult contempt that no threat seems empty Intercourse does

not say forgive me and love me It does not say I forgive you I love you For a woman writer to thrive or arguably to survive in these current hard times forgiveness and love must be subtext No I say no Intercourse is search and assertion passion and fury and its form no less than its content deserves critical scrutiny and respect

**PREFACE**      General Catalogue of Printed Books British Museum. Department of Printed Books,1959      **Graham Greene** Michael G. Brennan,2010-03-18 In this significant rereading of Graham Greene s writing career Michael Brennan explores the impact of major issues of Catholic faith and doubt on his work particularly in relation to his portrayal of secular love and physical desire and examines the religious and secular issues and plots involving trust betrayal love and despair Although Greene s female characters have often been underestimated Brennan argues that while sometimes abstract symbolic and two dimensional these figures often prove central to an understanding of the moral personal and spiritual dilemmas of his male characters Finally he reveals how Greene was one of the most generically ambitious writers of the twentieth century experimenting with established forms but also believing that the career of a successful novelist should incorporate a great diversity of other categories of writing Offering a new and original perspective on the reading of Greene s literary works and their importance to English twentieth century fiction this will be of interest to anyone studying Greene      *Зборник радова поводом четрдесетогодишњице оснивања Катедре за енглески језик и књижевност* ,1969      *Forthcoming Books* Rose Arny,2003-04      *Srpsko-engleski frazeološki rečnik* Živorad Kovačević,2002      *Englesko-srpski Frazeološki Rečnik: A-K* Živorad Kovačević,1997      □□□□□□□□ ,1976      **British Books in Print** ,1971      The Literary Endeavour ,1982      **Index to Crime and Mystery Anthologies** William Contento,Martin Harry Greenberg,1990      *Waterstone's Guide to Books* ,1989      **Books Magazine** ,1994
