Rahul Pandita

Our Moon Has Blood Clots:

Our Moon Has Blood Clots Rahul Pandita, 2017-10-29 Rahul Pandita was fourteen years old when he was forced to leave his home in Srinagar along with his family. They were Kashmiri Pandits, the Hindu minority within a Muslim majority Kashmir that was by 1990 becoming increasingly agitated with the cries of Azaadi from India. Our Moon Has Blood Clots is the story of Kashmir in which hundreds of thousands of Pandits were tortured, killed and forced to leave their homes by Islamist militants and forced to spend the rest of their lives in exile in their own country. Pandita has written a deeply personal, powerful and unforgettable story of history, home and loss.

Our Moon Has Blood Clots Rahul Pandita, 2017. Rahul Pandita was fourteen years old when he was forced to leave his home in Srinagar along with his family, who were Kashmiri Pandits, the Hindu minority within a Muslim majority Kashmir that was by 1990 becoming increasingly agitated with the cries of Azaadi (freedom) from India. The heartbreaking story of Kashmir has so far been told mainly through the prism of the brutality of the Indian security forces, the pro-independence demands of Muslim separatists or India and Pakistan's rivalry. But there is another part of the story that has remained unrecorded and buried. Our Moon Has Blood Clots is the untold chapter in the story of Kashmir in which hundreds of thousands of Kashmiri Pandits were tortured, killed and forced to leave their homes by Islamist militants and to spend the rest of their lives in exile in their own country. Rahul Pandita has written a deeply personal, powerful and unforgettable story of history, home and loss. Page 4 of cover.

The Routledge Encyclopedia of Indian Writing in English Manju Jaidka, Tej N. Dhar, 2023-09-29. Today Indian writing in English is a field of study that cannot be overlooked. Whereas at the turn of the 20th century writers from India who chose to write in English were either unheeded or underrated, with time the literary world has been forced to recognize and accept their contribution to the corpus of world literatures in English. Showcasing the burgeoning field of Indian English writing, this encyclopedia documents the poets, novelists, essayists and dramatists of Indian origin since the pre-independence era and their dedicated works. Written by internationally recognized scholars, this comprehensive reference book explores the history and development of Indian writers, their major contributions and the critical reception accorded to them. The Routledge Encyclopedia of Indian Writing in English will be a valuable resource to students, teachers and academics navigating the vast area of contemporary world literature.

Scars of War Maria Anita Stefanelli, Izabela Skórzyńska, 2025-01-20. Echoing the sentiments expressed in pivotal UN resolutions and positions which emphasize the inherently destructive nature of warfare on sustainable development, the chapters focus on the importance of adhering to international legal frameworks for safeguarding the environment during armed conflicts.

Kashmiri Life Narratives Rakhshan Rizwan, 2020-04-19. Kashmiri Life Narratives takes as its central focus writings, memoirs, non-fictional and fictional Bildungsromane published circa 2008 by Kashmiris/Indians living in the Valley of Kashmir, India or in the diaspora. It offers a new perspective on these works by analyzing them within the framework of human rights discourse and advocacy. Literature has been an important medium for promoting the rights of marginalized

Kashmiri subjects within Indian occupied Kashmir successfully putting Kashmir back on the global map and shifting discussion about Kashmir from the political board rooms to the international English language book market In discussing human rights advocacy through literature this book also effects a radical change of perspective by highlighting positive rights to enjoy certain things rather than negative ones to be spared certain things Kashmiri life narratives deploy a language of pleasure rather than of physical pain to represent the state of having and losing rights **Indian National Bibliography**
