Our Pilgrim Forefathers Loveday A. Nelson, 2015-02-05 Example in this ebook You often hear people talking of the President of our country Doubtless most of you know him by name Some of you may have seen him You also know that once in every four years we have an election day when papa votes for the man whom he thinks best for President Then the one who gets the most votes becomes our President for four years If this man makes a good President he is sometimes chosen again for another four years or term as we call it But if he has not pleased the people they choose some one else anybody else next election day We never know who will be our next President until he is elected One term he is a man from one part of the country the next term he may be one from a far distant part In our country we think that this way is best It is not so in every country In some countries instead of a president there is a king who expects to be king as long as he lives At his death his son becomes the king If the king happens to be a good one it is well for the country and for the people but if he chances to be a wicked cruel one the poor people have a sorry time as long as he lives When Sunday comes John goes with his mamma and papa to the Methodist Church Perhaps Mary goes with her parents to the Baptist Gretchen may prefer to go to the Lutheran Church and Margaret to the Roman Catholic In our country we think this quite right We like to see people going to the church that helps them most As it costs much money to build churches and pay the preachers people must give money or there can be no churches John may want to give his pennies to the Methodist Church or Sunday school Mary would rather give hers to the Baptist Gretchen s money is given to the Lutheran and Margaret s to the Roman Catholic In our country we think this too quite right No one forces us to give money to any church When we have any to give we may do with it as we choose Neither is this true in all countries In some lands where there are kings instead of presidents the kings have sometimes said that all the people must go to a certain church and that they must pay that church money Some of the kings have forbidden the people to have any other churches Sometimes there have been people who loved another church which they were unwilling to give up Sometimes there have been kings who have put these people in prison and done other harsh things in trying to force them to worship God according to the king s will We shall learn of some unhappy people who lived in a country ruled at times by just such hard hearted kings When we know of some of the troubles and great hardships through which they passed in trying to pray to God and serve him as they thought right we shall surely love them and always remember their noble deeds These people lived far across the Atlantic Ocean in a country called England where the king and all the people speak the English language We learned our English from them To be continue in this ebook Our Pilgrim Forefathers Loveday A.
