Muted Cry Caroline J. Simon,2026-01-27 Affliction lurks in the shadows all around us It renders the afflicted inarticulate and tempts those around them to turn away Muted Cry is a unique and compelling hybrid of frank memoir and philosophical reflection Caroline J Simon an accomplished philosopher fearlessly interrogates her sometimes thorny

relationship with her brother his affliction and their shared family history while also engaging French philosopher Simone Weil's life and thought. By telling a specific story with universal relevance Simon provides an accessible and engaging window into the philosophy of one of the twentieth century's most distinctive voices. Affliction is a complex form of suffering that uproots a life by damaging a person physically, psychologically, socially and spiritually. It overwhelms the sufferer and baffles those around them. Yet Simone Weil compellingly describes how understanding affliction opens our eyes to deep truths about Christ our humanity and Christian faithfulness in God's precious broken creation. In grappling with the impact of affliction on her brother's life Simon illuminates the paradoxical nature of affliction and illustrates the meaning and cost of truly paying attention to the afflicted. With questions for reflection and group discussion as well as recommendations for further reading *Muted Cry* is a valuable resource for both educational use and private reading.

*Kidnap* Colin R Armstrong, 2025-05-01 This is the true story of the kidnap for ransom of Colin Armstrong a former British Consul to Ecuador and his girlfriend Kate on 15th December 2023. Against the background of an ever more violent Ecuador which in recent years has seen the proliferation of Narco gangs he had been warned many times not to take chances to use an armoured vehicle with an escort and to alter the route and times he drove to his ranch. But he laughed it off. Until the day it happened. After his release his lifestyle changed dramatically. Habits of fifty years have to go. He has to relearn and adapt his life to what is possible. The Ecuador he loved has vanished to become a dangerous state. His personal situation with his family has to change too. The press coverage of the kidnap makes it impossible to carry on as before. In addition to charting the consequences of the kidnap the book is also a travelogue of his life for the twelve months after his release with fascinating details of ultra luxury travel to Antarctica plus earlier trips to Japan the Galapagos Islands Everest and a Rwanda safari.
