Wayne McKamie, 2018-07-04 This is the second of multiple volumes we plan to publish if the Lord is willing As I began listening to the sermons and reading the transcripts for this volume I began to realize the practicality and the focus of Wayne as he challenges his hearers to think and to consider their actions along life's pathway Wayne has a way of always challenging his audience I believe all who will read the sermons in this book will find many nuggets of spiritual nourishment and find themselves facing serious spiritual questions in living for Jesus Christ The messages are truly inspiring *The Late Rev. with modern time Unfortunately more times than not when introduced to this type of knowledge rarely are we told that incremental spiritual development is necessary consequently we take in knowledge or degrees of knowledge before time and it may corrupt us short change us or extend us beyond our capacity which results in more damage than good The reader is invited to a paradigm shift that will provide a different way of seeing Elijah Muhammad s messengership in a very progressive light A check up from the neck up is needed Once you free your mind the rest of you will follow The reader will find it here      **Homiletical commentary on the Song of Solomon** Thomas Robinson,1877
