## **Out In The Midday Sun:**

Out in the Midday Sun Margaret Shennan,2000 Told through letters and diaries this is the gripping story of British Malaya from its days of promise to the end of Empire A region rich in natural resources such as tin and rubber fortunes for enterprising Britons were there for the making But in the 1920s and 30s their enchanted tropical existence allowed colonials to become complacent and the British Government to fail to recognise the rising Japanese threat In World War II Malaya was thrown to the wolves After the war the colonials had to face a new enemy the Malayan Communist guerrillas and the inevitability of Malayan Independence      Out in the Midday Sun Monica Campbell- Martin,1948      **Out in the Midday Sun** Kate Caffrey,1996      **Out in the Midday Sun** Monica Martin,1955      **Out In The Midday Sun** Elspeth Huxley,2011-06-08 Elspeth Huxley captivated readers throughout the world with her memories of an African childhood in THE FLAME TREES OF THIKA and THE MOTTLED LIZARD In this final volume of her trilogy she tells the story of her adult life in Africa in which the vigorously evoked personalities from the pioneer Lord Delamere and Baroness Blixen to Jomo Kenyatta blend with her superb description of the social cultural and political upheavals of the time An accomplished story teller she weaves anecdotes character sketches political history together without losing her thread or the readers momentum SUNDAY TIMES She evokes it all lovingly but astringently especially the glittering often scandalous life of the young aristocrats who lived in Happy Valley DAILY EXPRESS      Out in the Midday Sun Henty Bulley,2004-01-01      Sermons On Selected Lessons Of The New Testament St. Augustine of Hippo,2012 This is the extended and annotated edition including an extensive biographical annotation about the author and his life The Sermons of St Augustine besides their other excellencies furnish a beautiful picture of perhaps the deepest and most powerful mind of the Western Church adapting itself to the little ones of Christ In them he who has furnished the mould for all the most thoughtful minds for fourteen hundred years is seen forming with loving tenderness the babes in Christ Very touching is the child like simplicity with which he gradually leads them through what to them were difficulties watching all the while whether he made himself clear to them keeping up their attention pleased at their understanding dreading their approbation and leading them off from himself to some practical result Very touching the tenderness with which he at times reproves the allowance which he makes for human infirmities and for those in secular life if they will not make their infirmities their boast or in allowed duties and indulgences forget God But his very simplicity precludes the necessity of any preface His Sermons explain themselves They appear from a passage in the Commentary on the Psalms to have been often taken down in writing at the time by the more attentive sort of hearers as were those of St Chrysostom Possidius states that this was done from the commencement of his presbyterate and that thence through the body of Africa excellent doctrine and the most sweet savour of Christ was diffused and made manifest the Church of God beyond seas when it heard thereof partaking of the joy      **Who Goes Out In The Midday Sun** Benedict Allen,1986      **Out in the Midday Sun** Sheridan Morley,Noel Coward,1988      A Select Library of the Nicene and

Post-Nicene Fathers of the Christian Church, First Series, Volume 6 Philip Schaff, 2022-04-20 Philip Schaff's classic work colloquially known as *The Early Church Fathers* is an invaluable resource filled with the primary documents and early theological building blocks for the Christian church. Comprised of thirty-eight volumes, it is broken into three parts: the Ante-Nicene Fathers and Nicene and Post-Nicene Fathers First and Second Series. *Nicene and Post-Nicene Fathers First Series*, St. Augustine Philip Schaff, 2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity. For the first time, doctrines were organized into a single creed. The Nicene and Post-Nicene Fathers did most of their writing during and after this important event in Church history. Unlike the previous era of Christian writing, the Nicene and Post-Nicene era is dominated by a few very important and prolific writers. In Volume VI of the 14-volume collected writings of the Nicenes and Post-Nicenes first published between 1886 and 1889, readers will find Saint Augustine's exegesis on the Gospels and the Sermon on the Mount, which strove to interpret and draw meaning out of the text without incorporating the author's personal agenda or bias. Also included in this volume are a selection of Augustine's sermons.
