William Henry Griffith Thomas,1996-10-01 *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease **ACTS** Ralph Robert Gomez,2022-12-27 This is a Precept Bible Study on the book of Acts which means you will be looking at the Bible one verse at a time to help you understand God s Word so that you can apply it to your daily life The four Gospels described Jesus s life and ended with His death and resurrection The book of Acts continues His story after the resurrection and follows the transition from the Old Covenant into the New Covenant where the Holy Spirit came to live in the heart of the believer This is a twelve week study and is the first of three studies on the book of Acts Acts The Birth of the Church 12 weeks Acts Paul s Three Missionary Journeys 10 weeks Acts Paul s Arrest Trial and Imprisonment 8 weeks This study is about God s plan to establish His church by empowering His people with the indwelling of the Holy Spirit to proclaim the good news of salvation to a fallen world and save people from the gates of hell God used ordinary people like Peter James Stephen Philip Barnabas and Paul to be the salt of the earth and the light of the world to carry out the great commission You will receive power when the Holy Spirit has come upon you and you shall be My witnesses both in Jerusalem and in all Judea and Samaria and as far as the remotest part of the earth Acts 1 8 NASB The early church faced strong resistance from the religious and political leaders of the day as they tried to intimidate the apostles through lies betrayals violence and murder The book of Acts contains some of the Bible s biggest villains attempting to silence God s people But their bullying did not work God is bigger than any villain and through the power of the Holy Spirit many heroes emerged who overcame their fears and despite great danger they continued to proclaim the good news We cannot stop speaking about what we have seen and heard Acts 4 20 NASB There is even a villain who became a hero after

encountering Jesus on the road to Damascus God changed the heart of Saul of Tarsus and used him to plant churches and evangelize most of the Mediterranean world If God can forgive a murderer like Saul and use him to write half the New Testament then God can certainly use you and I for His plan of redemption This study ends with Barnabas and Paul returning to Jerusalem after spending a year discipling the elders in the church at Antioch After Paul and Barnabas returned King Herod beheaded the Apostle James and threw Peter into prison This signified a shift in the way the apostles were being treated and ushered in a new wave of persecution against the believers Buckle up and get ready to experience the power of the Holy Spirit working through the lives of some of God's most faithful servants **American Book Publishing Record**

Department of Bibliography, 1978 **The Book of Acts** David Sproule, 2014-05-20 35 full outlines that cover the entire book of Acts chapter by chapter verse by verse Each of the outlines covering the text of the book of Acts contain three sections Overview of the Passage Significant Truths from the Passage Practical Points of Application In addition there are two lessons introducing the book three lessons summarizing the book and a lesson on the life and work of Paul This book is great for personal study or for a teacher's use in preparing lessons on this pivotal book of the New Testament **Peloubet's Select Notes on the International Bible Lessons for Christian**

Living , 1874 **Outline Studies in the Acts and New Testament Epistles** W. R. French, 1939* **New Testament Survey** Robert G. Gromacki, 2008-08-01 Before coming to grips with an individual verse or passage in the New Testament Bible students and expositors must understand how it relates to the theme of the book This nontechnical survey offers readers a working understanding of the New Testament by providing the theological tools necessary to synthesize biblical passages into themes It incorporates historical and cultural backgrounds without becoming a book on manners and customs and deals with the actual text of Scripture without becoming a verse by verse commentary Pictures charts and outlines aid comprehension This classic text which has served students well for many years is now available in paperback
