Outwitting the Devil@ Napoleon Hill,2021-01-19 Following the success of his 1937 landmark bestseller Think and Grow Rich Napoleon Hill wrote Outwitting the Devil an expos on the methods the Devil uses to ensnare and control the minds of human beings Exploring the innermost depths of the psychology of motivation to understand why so many individuals including himself cannot find the initiative and courage they need to

consistently implement the philosophy of individual achievement Hill went so far as to interview the Devil himself The resulting confession from the Devil made this book so controversial as to remain unpublished for over 70 years Now it is your turn to break the Devil s code and free yourself from the hidden methods of control that lead to ruin In this reproduction of the complete text of Hill s original manuscript is laid out the exact nature of the power by which the Devil disarms human beings with fear procrastination anger and jealousy so that they do not reach their full potential This is the same power that paralyzed millions of individuals with fear and despondency during the Great Depression and continues to hold people back from their dreams Complacency and mediocrity are not the root issue they are symptoms of deeper ills that we are conditioned by society to accept But you must open your mind to acquire knowledge and consider facts that might not harmonize with your personal beliefs in order to access a greater truth that will as Hill said in his original preface bring harmony out of chaos in this age of frustration and fear If you have been the victim of lost courage weakened enthusiasm and lack of self discipline if you are demoralized and plagued by fear anxiety overwhelm or apathy the seven principles to freedom detailed in this book herald your redemption You will finally become independent of the causes of failure and misery break the bonds of destructive habits and unlock the secret of a natural law as significant as the law of gravity so that you can outwit the devil once and for all *Outwitting The Devil: The Secret to Freedom and Success* ,2025 **Billy Graham,**
