*Web3: The Insights You Need from Harvard Business Review* Harvard Business Review, Andrew McAfee, Jeff John Roberts, Reid Blackman, Molly White, 2023-03-28 Web3 may be the next big disrupter in business. Don't be caught unprepared. Blockchain and crypto aren't just for speculators anymore; they're the backbone of the rising decentralized internet. Web3 has the potential to rewrite the past decade's rules; monopolies may be shattered, and the web could be remade and an entirely new breed of products and services will likely emerge. Where does your business fit in Web3? The Insights You Need from Harvard Business Review will show you how today's most innovative organizations are choosing Web3, experimenting with their brands, evaluating their risks, and preparing to win in the newer, better internet age. Business is changing. Will you adapt or be left behind? Get up to speed and deepen your understanding of the topics that are shaping your company's future with the Insights You Need from Harvard Business Review series. Featuring HBR's smartest thinking on fast-moving issues like blockchain, cybersecurity, AI, and more, each book provides the foundational introduction and practical case studies your organization needs to compete today and collects the best research, interviews, and analysis to get it ready for tomorrow. You can't afford to ignore how these issues will transform the landscape of business and society. The Insights You Need series will help you grasp these critical ideas and prepare you and your company for the future.

### Quarterly Review of Distance Education

Michael Simonson, Anymir Orellana, 2023-12-01 The Quarterly Review of Distance Education is a rigorously refereed journal publishing articles, research briefs, reviews, and editorials dealing with the theories, research, and practices of distance education. The Quarterly Review publishes articles that utilize various methodologies that permit generalizable results which help guide the practice of the field of distance education in the public and private sectors. The Quarterly Review publishes full-length manuscripts as well as research briefs, editorials, reviews of programs and scholarly works, and columns. The Quarterly Review defines distance education as institutionally based formal education where the learning group is separated and where interactive technologies are used to unite the learning group.
