*Sacrificial Lambs* Anita Bartholomew,2025-11-04 Today more than 1 in 20 teens say they are transgender or gender questioning an order of magnitude higher than just a decade ago How is it possible that so many youngsters within just a matter of years became persuaded that they d been born in the wrong body As liberal journalist Anita Bartholomew reveals in Sacrificial Lambs the answer lies not with gender confused children but rather with our most trusted institutions

and the adults who run them the medical professionals who transition children to facsimiles of the opposite sex before they are old enough to know what sex is the teachers who tell kindergarteners that doctors only guessed their sex at birth and the mainstream media outlets that label chemical and surgical experiments on children as life saving care Exposing the many lies and mistruths of gender ideology Bartholomew shows that every progressive argument you ve heard in favor of it is wrong Even if you consider yourself a supporter of the trans movement once you ve seen the breadth and depth of how gender ideology has harmed young people emotionally psychologically and physically you might reassess what it means to be an ally
