The Media Student's Book is a comprehensive introduction for students of media studies. It covers all the key topics and provides a detailed, lively and accessible guide to concepts and debates. Now in its fifth edition, this bestselling textbook has been thoroughly revised, re-ordered and updated with many very recent examples and expanded coverage of the most important issues currently facing media studies. It is structured in three main parts addressing key concepts, debates and research skills, methods and resources. Individual chapters include approaching media texts, narrative genres and other classifications, representations, globalisation, ideologies and discourses, the business of media, new media in a new world, the future of television, regulation, now debating advertising, branding and celebrity news, and its futures, documentary and reality, debates from audience to users, research skills and methods. Each chapter includes a range of examples to work with, sometimes as short case studies. They are also supported by separate longer case studies which include *Slumdog Millionaire*, online access for film and music, *CSI* and detective fictions, *Let the Right One In* and *The Orphanage*, PBS, BBC and HBO, images of migration, *The Age of Stupid* and climate change politics. The authors are experienced in writing, researching and teaching across different levels of undergraduate study with an awareness of the needs of students. The book is specially designed to be easy and stimulating to use with a Companion Website with popular chapters from previous editions, extra case studies and further resources for teaching and learning at www.mediastudentsbook.com, margin terms, definitions, photos, references and even jokes allied to a comprehensive glossary, follow-up activities in Explore boxes, suggestions for further reading and online research, references and examples from a rich range of media and media forms including advertising, cinema, games, the internet, magazines, newspapers, photography, radio and television. *Laura Lemay's Electronic Web Workshop* Laura Lemay, 1997-05. This kit is aimed at the hobbyist, small business owner or anyone who has a need to create Web pages. There is coverage of everything from HTML to Java and from Graphics to 3D to VRML, aiming to provide complete coverage of tools and techniques and tools for Web site design. **HTML QuickSteps** Guy Hart-Davis, 2004.
