snap share and shine like never before      InfoWorld ,2006-12-11 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects      *SolidWorks 2011 Part I - Basic Tools* Paul Tran,2011 SolidWorks 2011 Part I Basic Tools introduces new users to the SolidWorks interface SolidWorks tools and basic modeling techniques It provides readers with a strong understanding of SolidWorks and covers the creation of parts assemblies and drawings Every lesson and exercise in this book was created based on real world projects Each of these projects have been broken down and developed into easy and comprehensible steps for the reader Furthermore at the end of every chapter there are self test questionnaires to ensure that the reader has gained sufficient knowledge from each section before moving on to more advanced lessons This book takes the approach that in order to understand SolidWorks inside and out the reader should create everything from the beginning and take it step by step

**Intelligence analysis in social media** Girdan,2021-02-28 The global security environment dominated and dependent on information and communication technology generates an accumulation of disruptive factors for society This volume in direct accordance with technological developments that have facilitated information avalanche and anonymous communication has required interdisciplinary research in areas such as psychology sociology computer science social media communication and legislation The research aims to establish whether social media platforms through the actions they facilitate can pose risks and threats to national security and to identify premises in order to stimulate strategies that should be followed to avoid transforming various forms of online communication into a potentiating and generating factor of crime radical or extremist opinions mass manipulation etc At the same time the research offers an alternative vision on approaching the concept of intelligence in the context of the development of social media networks SocMInt and promotes ways to improve and streamline how to achieve objectives that can be successfully applied including in business intelligence In this regard a case study is conducted on the effects of CoVid 19 pandemic SARS CoV 2 coronavirus from the perspective of law enforcement agencies Although the individually exploitation of SocMInt does not provide a comprehensive answer it must be used in the initial stages of decision making and effort making due to the low costs compared to other Int disciplines The volume does not present a solution to current problems but through its didactic documentary and informative nature it offers professional support at high standards to analysts and managers in decision making      *Inbound Content* Justin Champion,2018-04-16 Develop and implement an effective content strategy tailored to your business s needs Inbound Content is a step by step manual for attracting the right people turning them into leads and closing them into customers Today everyone knows that content is king It s how we engage how we inform and how we pass the time content is everywhere and if you re not leveraging its power to promote your business you ve already been left behind Having a website and social media is not enough if you truly want to take advantage of unprecedented levels of connectedness you have to create content that draws customers in It s not about blindly expanding reach it s about reaching out to the right audience

Today's marketplace is no longer about chasing the sale with the right approach to content your customers will come to you Your content must be valuable relevant and consistent but how should it be implemented at the actual content creation level This book shows you how to develop a unified strategy create compelling content tailored to your needs and utilize that content to its greatest advantage in order to build your brand Discover the power of storytelling and generate effective content ideas Plan a long term content strategy and a content creation framework Create great content promote it measure it and analyze its performance Extend your content's value become a more effective writer and develop a growth mentality Effective content is worth its weight in marketing gold It stands out from the noise and to the customer looks like an oasis in a desert of clickbait and paid reviews Inbound Content shows you how to plan build and implement your content strategy for unprecedented engagement and sales

**Security, Privacy and User Interaction** Markus Jakobsson,2020-10-27 This book makes the case that traditional security design does not take the end user into consideration and therefore fails This book goes on to explain using a series of examples how to rethink security solutions to take users into consideration By understanding the limitations and habits of users including malicious users aiming to corrupt the system this book Illustrates how better security technologies are made possible Traditional security books focus on one of the following areas cryptography security protocols or existing standards They rarely consider the end user as part of the security equation and when they do it is in passing This book considers the end user as the most important design consideration and then shows how to build security and privacy technologies that are both secure and which offer privacy This reduces the risk for social engineering and in general abuse Advanced level students interested in software engineering security and HCI Human Computer Interaction will find this book useful as a study guide Engineers and security practitioners concerned with abuse and fraud will also benefit from the methodologies and techniques in this book
