About the Author: Charley Dickson is a former Oregonian who now lives full time in a 38 Class A motorhome in various places around the country. In his 30 years of RVing, he and his wife have traveled in a pop up trailer, a 30 travel trailer, a 29 Class C motorhome, a 40 5th wheel trailer, and two Class A motorhomes. He's been to most of the country but there are still many places he and his wife will be seeing. He's a firm believer in being more of a do it yourselfer rather than having someone else do a repair or modification. As such, he's a staunch supporter of doing the homework to find out as many aspects of a certain subject as possible. As such, this book is written for other folks who want to know more about RVing. HowExpert publishes how-to guides by everyday experts.
