**Opera Wars** Caitlin Vincent,2026-01-13 Blunt irreverent and at times wittily subversive Opera Wars spotlights opera's colorful and sometimes warring personalities increasingly fierce controversies over content and the battles being waged for its economic future Drawing on interviews with dozens of opera insiders as well as her own experience as an award winning librettist trained vocalist opera company director and arts commentator Caitlin Vincent deftly unravels clichés and presumptions exposing such debates as how much fidelity is owed to long dead opera composers whose plots often stir racial and gender sensitivities whether there's any cure for typecasting that leaves talented performers out of work and other performers chained to the same roles and what explains the bizarre kowtowing of opera companies to the demands of traditionalist patrons Vincent never shrinks from depicting the industry's top to bottom messiness and its stubborn resistance to change Yet like a lover who can't quite break away she always comes back to her veneration for the artform and in these pages stirringly evokes those moments on stage that can be counted on to make ardent fans of the most skeptical

**Digital Innovation in the Luxury and Fine Art Industry** Janna Schubert,2015-03-11 Academic Paper from the year 2014 in the subject Art Arts Management grade A cole des hautes études commerciales de Paris Luxury Strategy language English abstract With a globally rising percentage of internet access and time spent on social media in emerging developing as well as mature markets investment into an exceptional digital customer experience can be more and more efficiently leveraged and scaled This thesis aims to quantitatively and qualitatively determine whether a measurable influence of users social media interaction with artists and luxury brands on their prices and sales exists how it manifests itself and which conclusions and recommendations can be drawn from its existence and applied to both industries Does a Facebook Share translate into a good sale Is art's instagramisation reflected in auction prices And how can we measure the paradigm shift in these traditional industries led by democratization of information and opinion sharing exhibited by rising amateur experts and new opinion leaders afar from established critics
