This volume contains the following Chapter 1 General Assembly Sixty-fourth Session continued 3 Resolutions Adopted by the General Assembly at Its Sixty-fourth Session continued Resolutions 64/104 through 64/199 d Guest Authors of previous years' editions. Each annual edition of ARUNA is introduced by a Guest Author, a distinguished expert on UN affairs who highlights the outstanding themes of the year in review. Together with an overview provided by the editors, this introduction is intended to facilitate access to the material and above all to make it easier for users of ARUNA to see the forest for the trees. This year's ARUNA includes excerpts from the Report of the Commission of Experts of the President of the United Nations General Assembly on Reforms of the International Monetary and Financial System (21 Sept 2009) and from a slightly edited version of a Preface to that report written by Professor Joseph E Stiglitz. However, the roster of distinguished experts who have contributed this introduction in the past is also worthy of mention. Jose Antonio Ocampo (ARUNA 2008-2009 edition). Professor Jose Antonio Ocampo is Co-President of the Initiative for Policy Dialogue. He is also Professor in the School of International and Public Affairs and Fellow of the Committee on Global Thought at Columbia University. Professor Ocampo previously held the positions of Under-Secretary General of the United Nations for Economic and Social Affairs, Executive Secretary of the United Nations Economic Commission for Latin America and the Caribbean and Minister of Finance, Agriculture and Planning of Colombia. In 2009 he was a member of the Commission of Experts of the President of the United Nations General Assembly on Reforms of the International Monetary and Financial System. Professor Ocampo is also the author of numerous books and articles on macroeconomics, policy and theory, economic development, international trade and economic history. His recent publications include *Stability with Growth: Macroeconomics, Liberalization and Development* with Joseph E Stiglitz, Shari Spiegel, Ricardo Ffrench Davis and Deepak Nayyar (New York: Oxford University Press, 2006). Jeffrey D Sachs (ARUNA 2007-2008 edition). Professor Jeffrey D Sachs is Director of the Earth Institute at Columbia University and Special Advisor to the Secretary General of the UN on the Millennium Development Goals. Professor Sachs's introduction to ARUNA 2007-2008 was titled *Towards a New Global Protocol on Climate Change* in which he argued that solving the climate change problem will demand four steps: scientific consensus, public awareness, the development of alternative technologies and a global framework for

action He dealt in particular with the science underpinning the negotiations for a new global protocol on climate change as a successor to the Kyoto Protocol Professor Sachs argued that climate change crises can only be solved through the goals leadership and treaty mechanisms of the UN Edward C Luck ARUNA 2006 2007 edition Professor Edward C Luck is UN Special Advisor on the Responsibility to Protect and Vice President and Director of Studies at the International Peace Academy From 1984 to 1994 he served as President and Chief Executive Officer of the UN Association of the USA UNA USA Professor Luck s introduction to ARUNA 2006 2007 covered The responsible sovereign and the responsibility to protect in which he addressed the scope and content of what was agreed at the 2005 World Summit the implications of the responsibility to protect RtoP for notions of state sovereignty and some of the conceptual architectural and policy challenges then facing UN Secretary General Ban Ki moon s commitment to operationalizing the responsibility to protect and translating it from words to deeds Louise Frechette ARUNA 2005 2006 edition Ms Louise Frechette is Distinguished Fellow at the Centre for International Governance Innovation Waterloo Ontario Until March 2006 she was the first Deputy Secretary General of the UN before that she was Permanent Representative of Canada to the UN Ms Frechette s introduction to ARUNA 2005 2006 covered United Nations reform an unfinished story As the first Deputy Secretary General of the UN Ms Frechette was uniquely positioned to undertake a personal assessment of what has changed and what has not changed in the past decade at the UN and why She examined if the UN is functioning better than it was 15 years ago why reform is so difficult to achieve and what the future holds for the institutions Rubens Ricupero ARUNA 2004 2005 edition Mr Rubens Ricupero is Dean of the Fundacno Armando Alvares Penteado FAAP Sao Paulo and was formerly Secretary General of UN Conference on Trade and Development UNCTAD and Minister of Finance of Brazil Mr Ricupero s introduction to ARUNA 2004 2005 covered The difficulty of building consensus in an age of extremes and examined the mysteries of the negotiating process leading to the outcome of the 2005 World Summit Rather than a Grand Bargain of a comprehensive UN reform in the areas of development security and human rights it is argued that the Summit ended more on a note of lamentation and regret over a missed opportunity Mr Ricupero concludes that contrary to the daring proclamation at the outset by the Secretary General the conditions indispensable to succeed were not in place Indeed it was hard to imagine that an ambitious and balanced reform package for the UN could have had any real chance of succeeding **Youth** Daniela Trucco, Heidi Ullmann, 2016 This book offers a portrayal of the opportunities for social inclusion afforded to young people in Latin America and the Caribbean with a view to building stronger youth policies in the region The youth population must be included in development processes if progress is to be made towards more egalitarian societies not only because of the numbers of young people vis a vis the rest of the population but also because of what these numbers mean in relation to dependency rates and the needs and issues particular to this stage of life Back cover
