Miami Babylon Crime Wealth And Power A Dispatch From The Beach:

Miami Babylon Gerald Posner, 2009-10-13 Here in all its neon colored cocaine fueled glory is the never before told story of the making of Miami Beach Gerald Posner author of the groundbreaking investigations Case Closed and Why America Slept has uncovered the hair raising political financial criminal history of the Beach and reveals a tale that in the words of one character makes Scarface look like a documentary From its beginnings in the 1890s the Beach has been a place made by visionaries and hustlers During Prohibition Al Capone had to muscle into its bootlegging and gambling businesses After December 1941 when the Beach was the training ground for half a million army recruits even the war couldn't stop the party After a short postwar boom the city's luck gave out The big hotels went bankrupt the crime rate rose and the tourists moved on to Disney World and the Caribbean Even after the Beach hosted both national political conventions in 1972 nobody would have imagined that this sandy backwater of run down hotels and high crime would soon become one of the country's most important cultural centers But in 1981 125 000 Cubans arrived by the boatload The empty streets of South Beach lined with dilapidated Art Deco hotels were about to be changed irrevocably by the culture of money that moved in behind cocaine and crime Posner takes us inside the intertwined lives of politicians financiers nightclub owners and real estate developers who have fed the Beach's unquenchable desire for wealth flash and hype the German playboy who bought the entire tip of South Beach with 100 million of questionable money the mayoral candidate who said If you can't take their money drink their liquor mess with their women and then vote against them you aren't cut out for politics the Staten Island thug who became king of the South Beach nightclubs only to have his empire unravel and saved himself by testifying against the mob the campaign manager who calls himself the Prince of Darkness and got immunity from prosecution in a fraud case by cooperating with the FBI against his colleagues and the former Washington D C developer who played hardball with city hall and became the Beach's first black hotel owner From the mid level coke dealers and their suitcases of cash to the questionable billions that financed the ocean view condo towers the Beach has seen it all Posner's singular report tells the real story of how this small urban beach community was transformed into a world class headquarters for American culture within a generation It is a story built by dreamers and schemers And a steroid injected cautionary tale
