and consumers can align their values with the products they buy *Commodity Marketing* Margit Enke, Anja Geigenmüller, Alexander Leischnig, 2022-04-22 Commoditization is a major challenge for companies in a wide range of industries and commodity marketing has become a priority for many top managers This book tackles the key issues associated with the marketing of commodities and the processes of commoditization and de commoditization It summarizes the state of the art on commodity marketing providing an overview of current debates It also offers managerial insights case studies and guidance to help manage and market commodity goods and services *Living Innovation: Competing In The 21st Century Access Economy* Herve Mathe, 2015-08-28 *Living Innovation* Competing in the 21st Century Access Economy explores how the digital revolution has empowered customers and how organizations have to innovate to gain a deeper understanding of user needs Stepping away from the traditional mindset of products being the foremost concern of an organization this book elaborates on how service value and the management of customer relationships are some of the new goals of an experience driven economy The ten chapters of this book provide insights and different perspectives into this new economy including the consequences of the shift away from a product based mindset the role of the physical space as a stimulator of innovation and the keys to making service innovation a success **Materials and Sustainable Development** Michael F. Ashby, 2022-06-26 *Materials and Sustainable Development* Second Edition written by noted materials selection authority Mike Ashby provides a structure and framework for analyzing sustainable development and the role of materials in it The book s aim is to introduce ways of exploring sustainable development to readers in a way that avoids simplistic interpretations and approaches complexity in a systematic way There is no completely right answer to questions of sustainable development instead there is a thoughtful well researched response that recognizes concerns of stakeholders conflicting priorities and the economic legal and social aspects of the technology and its environmental legacy The intent of the book is not to offer solutions to sustainability challenges but rather to improve the quality of discussion and enable informed balanced debate This updated edition has been updated to reflect new insights regulatory trends and other developments that have occurred since publication of the previous edition Describes sustainable development in increasingly detailed progression from a broad overview to specific tools and methods Includes updated chapter length case studies on topics such as biopolymers electric cars bamboo and lighting that vividly illustrate the sustainable development process from a materials perspective Covers business and economic aspects in chapters on corporate sustainability and the circular materials economy *The Phoenix Encounter Method: Lead Like Your Business Is on Fire!* Ian C. Woodward, V. "Paddy" Padmanabhan, Sameer Hasija, Ram Charan, 2020-10-27 A radical new leadership strategy to transform business as we know it from a dream team of INSEAD professors and mega bestselling author Ram Charan The business landscape is littered with the wreckage of companies that crashed and burned when an apocalypse came in the shape of new competitive technologies upstart entrants demographic shifts and new world orders Who can feel safe in firestorm change The authors of *The Phoenix*

Encounter Method don't advise safety. In fact, their method of leadership thinking requires you to imagine burning your business to the ground, throwing yourself into a firestorm, change, and turning the upheaval to your organization's advantage. It can then rise phoenix-like from the ashes, stronger and more powerful than ever. Written with a sense of urgency and purposefully radical provocation, *The Phoenix Encounter Method* represents the forward thinking of legendary business guru Ram Charan and professors from the senior global leadership program of INSEAD, one of the world's top graduate business schools. The resulting methodology, based on analysis of thousands of articles, studies, reports, and academic and business practice, was field-tested in real life. Phoenix Encounters conducted with more than fifteen hundred senior executives from startups and family businesses to legacy companies representing a broad range of industry and sectors in both developed and developing economies. Whatever your sector or industry, if you're responsible for your organization's ability to use change as a transformative opportunity, you'll appreciate the dramatic impact *The Phoenix Encounter Method* will have on you, your leadership, and your organization.

Sustainable Innovation Strategy C. Sempels, J. Hoffmann, 2013-10-04 Examining the links between sustainable development, innovation strategy, and the business model, this thought-provoking and timely book uses insightful case studies from mature and developing markets to demonstrate how sustainability needs to be at the core of every organization's strategy and innovation.

Relationship Marketing in the Digital Age Robert Palmatier, Lena Steinhoff, 2019-01-15 The concept of relationship marketing has been discussed among marketing academics and managers since the early 1980s. But instead of reaching its maturity stage, relationship marketing is nowadays encountering its next upsurge. Due to a confluence of trends driving the global business world, including the transition to service-based economies, faster product commoditization, intensified competition, worldwide growth among emerging markets, aging populations, advertising saturation, and above all, the digital age, strong customer relationships are more than ever vital to company strategy and performance. *Relationship Marketing in the Digital Age* provides a comprehensive overview of the state of the art of relationship marketing, offering fruitful insights to marketing scholars and practitioners. In seven chapters divided into two main sections on understanding Part I and effectively applying Part II relationship marketing, an introductory and a concluding chapter, readers learn how to successfully manage customer-seller relationships.
