The Language of Social Studies Education Jason Endacott, Michael A. Kopish, 2023-03-20 Social studies is a discipline unique to K-12 education and is tasked with the preparation of democratic citizens. Social studies educators work with concepts, theories, and ideas from multiple disciplines across the social sciences and humanities, which makes discourse through shared language complex. Specialization in content areas that comprise the social studies can further complicate shared understanding of essential terms. The Language of Social Studies Education offers essential information for key concepts organized to reflect the contemporary context of K-12 social studies education. The concepts found within this volume reflect the breadth of the discipline while also providing the foundational knowledge needed to develop deeper understanding. Each entry is based on multiple sources that invite the reader to pursue their interests through further inquiry. This book will appeal to those who are looking for concise information based on respected scholarship from disciplines across the social studies. Even seasoned social studies practitioners will find its entries helpful for incorporating new concepts, ideas, and approaches into their discourses on citizenship education.

Introductory Microeconomics Dr Deepashree, A Text book on Economics

ECEL 2015-14th European Conference on e-Learning, Amanda Jefferies and Marija Cubric, 2015-10-13 These Proceedings represent the work of contributors to the 14th European Conference on e-Learning ECEL 2015 hosted this year by the University of Hertfordshire Hatfield UK on 29-30 October 2015. The Conference and Programme Co-Chairs are Professor Amanda Jefferies and Dr Marija Cubric both from the University of Hertfordshire. The conference will be opened with a keynote address by Professor Patrick McAndrew Director Institute of Educational Technology Open University UK with a talk on Innovating for learning designing for the future of education. On the second day the keynote will be delivered by Professor John Traxler University of Wolverhampton UK on the subject of Mobile Learning No Longer Just e-Learning with Mobiles. ECEL provides a valuable platform for individuals to present their research findings display their work in progress and discuss conceptual advances in many different branches of e-Learning. At the same time it provides an important opportunity for members of the EL community to come together with peers share knowledge and exchange ideas. With an initial submission of 169 abstracts after the double blind peer review process there are 86 academic papers 16 Phd Papers 5

Work in Progress papers and 1 non academic papers in these Conference Proceedings These papers reflect the truly global nature of research in the area with contributions from Algeria Australia Austria Belgium Botswana Canada Chile Cov entry Czech Republic Denmark Egypt England Estonia France Germany Ireland Japan Kazakhstan New Zealand Nigeria Norway Oman Portugal Republic of Kazakhstan Romania Saudi Arabia Scotland Singapore South Africa Sweden the Czech Republic Turkey Uganda UK United Arab Emirates UK and USA Zimbabwe A selection of papers those agreed by a panel of reviewers and the editor will be published in a special conference edition of the EJEL Electronic Journal of e Learning www.ejel.org
