Whether you are starting out with a dream and don't know where to begin or just need to bring your experience together this book can help. It was written for you by a qualified midwife in conjunction with a careers advisor and midwifery interviewers Feedback and Reviews. Amazing book I only wish I had read this before I applied last year I made so many of the mistakes mentioned in the book. This year I have so much more confidence thanks to the advice and information from this book. Thanks Ellie Gemma Gloucestershire Q As inside tips and knowledge it gets you thinking like a midwife. It's so competitive to get onto a course this book is exactly what I was looking for. Meena London Found your book and it has reignited my excitement for midwifery I am working towards being a student midwife and this has been really reassuring I can actually do this. Kim Leicester She seems to really remember and understand what it's like to be at the beginning of your journey. Ellie breaks down every little step for you. Miriam Reading I wanted to say a HUGE thank you I recently like a bolt from the blue realised I want to be a midwife and then found out how hard it is to get on a course. Your book makes it so simple to see exactly what you need to do. Josie Leicester

Nursing and Midwifery Student's Clinical Midwifery Survival Guide Kerry Reid-Searl, 2012 The Nursing and Midwifery Student's Clinical Midwifery Survival Guide is a small pocket sized guide providing quick reference to useful information needed for the care of low risk midwifery clients. It has been written specifically for nursing students and beginning practice midwives.

Midwifery Survival Guide Jacqui Williams, 2011 This new edition follows Q A format that has made the series so popular for its practical clinical approach. It will serve as a quick referral guide for newly qualified midwives and be an aide memoire in practice settings. The design will enable readers to easily access the information in a format which is easy to read. It presents current guidelines and best evidence. Final year student midwives have a plethora of activities and assessments to be able to complete their diploma degree courses and qualify as midwives. Following the commencement of their first employment they have to meet various Trust requirements and complete a number of key activities to orientate to their new role. This is an intensive time of study and adjustment to new roles so a text which could support these processes will be invaluable. This book could also be used by Senior Student Midwives to prepare them for

qualifying as midwives and be insightful of what will be expected to achieve during their first year of registration **A Pocket Guide for Student Midwives** Stella McKay-Moffat, Pamela Lee, 2006-07-11 This book is written with both degree and diploma student midwives in mind. It is split into two sections each alphabetical. The first section contains some of the language of midwifery terms, abbreviations and definitions. The second section contains common conditions, procedures, emergency situations and supporting information. Each topic includes further factors that involve recognition, prevention and actions to take in an emergency situation that may be in the form of flow action charts. The procedures that are included have an overview of the how to frequently including the preparation needed and the why supported by research or evidence and Midwives rules and standards NMC 2004b and The NMC code of professional conduct standards for conduct, performance and ethics NMC 2004a. The references used provide useful evidence to support practice. Finally the supporting information is varied and ranges from details about Government and international initiatives to available support groups and useful websites.
