all afternoon and when she comes back she's scheduled him for a doctor's visit and found a very special pill for him to take and he better not argue. But maybe he should have tried because overnight the snide young man finds himself turned into a very confused and very horny bimbo. His stepmother says it'll teach him a lesson in seeing the other side of those demeaning porn scenes but all Chrissy seems to be learning is how much her new body expects the doctor's appointment to turn into something more and once the doctor gets his hands on the voluptuous girl on his exam table it won't take long before he starts getting similar thoughts. Reader Advisory: This story is for mature audiences only and features intensely erotic situations, femdom, humiliation, feminization, gender swap, medical examination, bimboification, and the use of potent aphrodisiacs, rough sex, sexual manipulation, submissiveness, and dominance. All characters are 18 or older. Excerpt: Her face was cool and a little revolted as she pushed open my door but she was walking with purpose and authority that I couldn't ignore. Here she said, holding out a pill and a glass of water, "Take this. What is it?" "Did I tell you that you could ask questions?" "You little brat! I had to go all over town to find that!" "Take it and say thank you." Dubiously, I looked at the pill and then back up at her. The expression on her face beautiful but more than a little frightening was enough to stop any further objections.

Reluctantly I swallowed the pill. It was very bitter. "I'll see you in the morning," she said, smiling. Her expression seemed just the littlest bit sadistic but then she was gone. I sat on the bed, wondering what was going on. Notice: This title includes themes and passages that have been adapted from Jessica Whitethread's "The Doctor Takes Advantage" with full consent of the original author.
