Revisioning Beckett S. E. Gontarski, 2018-05-31 Revisioning Beckett reassesses Beckett's career and literary output particularly his engagement with what might be called decadent modernism. Gontarski approaches Beckett from multiple viewpoints from his running afoul of the Irish Censorship of Publications Acts in the 1930s through the 1950s his preoccupations to find literature in the pornography or beneath the pornography his battles with the Lord Chamberlain in the mid 1950s over London stagings of his first two plays and his close professional and personal associations with publishers who celebrated the work of the demimonde. Much of that term encompasses an opening to the fullness of human experience denied in previous centuries and much of that has been sexual or decadent. As Gontarski shows the aesthetics that emerges from such early career encounters and associations continues to inform Beckett's work and develops into experimental modes that upend literary models and middle class values an aesthetics that furthermore has inspired any number of visual artists to re-vision Beckett.

**Play Among Books** Miro Roman, Alice\_ch3n81, 2021-12-06 How does coding change the way we think about architecture? This question opens up an important research perspective. In this book Miro Roman and his AI Alice\_ch3n81 develop a playful scenario in which they propose coding as the new literacy of information. They convey knowledge in the form of a project model that links the fields of architecture and information through two interwoven narrative strands in an infinite flow of real books. Focusing on the intersection of information technology and architectural formulation the authors create an evolving intellectual reflection on digital architecture and computer science.

Edited by Lois Oppenheim Curated by Astrid Myers Rosset You know Barney I think my writing days are over Beckett writes in 1954 when most of his output was still ahead of him. And later Sick of all this old vomit and despair more and more of ever being able to puke again. In a world where writers switch publishers at the first shake of a martini pitcher our trans-Atlantic communications seemed to float on a sea of tranquility and trust from Dear Mr Beckett. Through letters contracts photos interviews speeches reviews and memorabilia most of which has never before been made public a rare personal and professional friendship unfolds between these two oddly shy daredevils through their embrace they shifted and turned the tide of literature in America. Among the many never before published entries Beckett's discussion about acting with his long-time director Alan Schneider as they huddled with Barney Rosset in his East Hampton quonset hut about their upcoming rehearsal with Buster Keaton Susan Sontag correspondence on her Godot production in Sarajevo The comprehensive Endgame file about the controversial production in Cambridge Mass which proceeded against Beckett's wishes Interviews with Eugene Ionesco and Alain Robbe-Grillet about Beckett and Rosset and the Absurdists Estelle Parsons correspondence with Beckett about the actress's proposal to perform Godot with Shelley Winters on Broadway Comprehensive file on the genesis and development of Beckett's Rockaby with Billie Whitelaw Comprehensive file on Rosset's termination from Grove
