**The Revelation of Jesus Christ** Jon Scott Birch, 2022-09-21 The testimony of Jesus is the spirit of prophecy Rev 19 10 and a prophetic perspective promotes purpose Yet in a world swiftly growing callous true purpose and meaning are fading Many of Jesus disciples today have lost their first love which is Jesus himself Rev 2 4 And too many souls overall miss the wonder inspiration and comfort gained by those who would endeavor toward fuller comprehension of the book of Revelation Blessed are they who read and those who hear the words of this prophecy and keep those things which are written in it for the time is near Rev 1 3 Neglect of the Holy Spirit slothfulness fear and the ongoing confusion generated by competing interpretations and bad theology are the primary obstacles between an individual and the liberation to be had by reading the last book of the Bible We must not forget that while the apostle John wrote the book of Revelation its author is Jesus Christ and he is not an author of confusion but of peace 1 Cor 14 33 This commentary presents a practical discipleship based perspective toward following Jesus into the very heart of his Revelation So as the end of this clamorous age approaches may we truly hear what the Spirit is saying to the churches

*The Untold Story of the New Testament Church [Revised and Expanded]* Frank

Viola,2025-03-04 Experience the New Testament Like Never Before Endorsements from New Testament scholars Craig Keener Darrell Bock Joel B Green Michael Licona Mark Strauss Richard Horsley David deSilva Constantine Campbell Paul Barnett Clinton Arnold Eckhard Schnabel Jeffrey A D Weima and many others One famous scholar said that reading the New Testament letters is like hearing one end of a phone conversation The Untold Story of the New Testament Church Revised and Expanded reconstructs the other end so you can understand virtually every word Seamlessly weaving the narrative of Acts with the Epistles you ll discover a coherent story enriched by intriguing details of first century life This unique and innovative presentation of the New Testament unlocks its epic story in a way that will leave you breathless and equipped to understand the Bible like never before Though it s non fiction this masterpiece reads like a cinematic experience that will captivate your heart by putting you in the center of the drama Drawing on the best of contemporary scholarship Frank Viola includes background information about the people cities and places that are mentioned throughout the New Testament all in an engaging narrative As you dive into this riveting volume you will Gain an intimate glimpse into the lives of apostles Peter James John Paul and their colleagues Uncover the events that inspired each New Testament letter shedding new light on every line from Romans to Revelation Meet the key figures who shaped the world like Priscilla Apollos Lydia Luke John Mark Phoebe Aristarchus and Epaphras Witness the dynamic tumult of first century churches individuals and events as they unfold vividly before you Prepare to be ushered into the living breathing atmosphere of the first century so you can uncover the hidden riches contained in God s Word     Jesus Leonard Sweet, Frank Viola, 2012 Jesus says All Scripture points to me John 5 39 But what does that mean exactly The 27 books of the New Testament are largely a commentary on the Old Testament and each part of the Bible is a signpost to Jesus Once this is properly understood everything changes     *48 Laws of Spiritual Power* Frank Viola, 2022 In *48 Laws of Spiritual Power* best selling author Frank Viola lays out the unchanging principles of tapping into God s power and releasing it to serve others These laws are based on over thirty years of ministry experience trench tested in Frank s life and the lives of others who have spent decades in ministry Though these laws may seem counterintuitive and uncommon they will equip you to look for God s power in your ministry In short digestible chapters packed with secrets of effective and impactful ministry *48 Laws of Spiritual Power* will equip you with what you need for your ministry to thrive     **Leaving Left Behind** Mike Wilson, 2021-01-19 Positive psychologists have proven that positivity leads to success but most Christians in America have chosen to believe a single eschatological theory that leads to pessimism and cynicism Pessimistic Christians put themselves in Christian bubbles and focus on self preservation and when a mind is clouded by negativity interpretations of biblical prophecy lean toward the pessimistic possibilities The fantastic writing of the *Left Behind* books has popularized premillennial dispensationalism with good intentions but that interpretation of biblical prophecy teaches that sinfulness will continually increase until Jesus throws up his hands in disgust and secretly raptures worthy Christians leaving behind unworthy sinners to suffer the wrath of the antichrist Teaching that questionable theory

produces negativity that hinders the Christian mission When Christians believe that they cannot succeed in leading most of the world to Jesus they will fail to put in the effort that success would require Jesus on the other hand taught his followers that nothing will prevail over his church and that teaching inspired them to sacrifice everything for the Christian mission This is not a promise of prosperity without effort or of inevitable success but biblical positivity is an energizing force that will help Christians flourish

**Who Is This Jesus?** Michael Green,2007-07 These days most people will grant that Jesus Christ was a great teacher who lived in a corner of the old Roman empire Most also welcome his teachings as a sound basis for civilization But what difference does that make now Why has a whole religion been built on this person What did he actually say and do And how can we trust the written records about him This fast moving highly readable book introduces Jesus of Nazareth honestly and openly with no prior knowledge assumed Michael Green is the highly respected author of more than fifty books He has been Principal of St John s College Nottingham Rector to St Aldate s Church Oxford and Professor of Evangelism and New Testament at Regent College Vancouver He now serves as Senior Research Fellow at Wycliffe Hall Oxford University

**Jesus Christ** Maurizio Gronchi,2013 **The Unknown Life of Jesus Christ** Nicolas Notovitch,2012-06 There is much speculation about where and how Jesus spent his twenties The bible does not tell us anything about his life during this time This book by the Russian doctor Nicolas Notovitch is the source of the idea that he might have spent this time in India The book contains a travelogue of the author s trip through India Whilst convalescing from a broken leg an ancient manuscript is read to him about Issa The manuscript allegedly tells of Jesus Issa as he treks through India studying the Vedas and Buddhism before he returns to Israel and take up his ministry as it is described in the bible Even though the authenticity or indeed the existence of the manuscript has never been proven the rumours of St Issa have refused to die

Who was Jesus Christ? Jesus Christ,1875 The Unknown Life of Jesus Christ Nicolas Nicolas Notovitch,2018-05-24 After the Turkish War 1877 1878 I made a series of travels in the Orient From the little remarkable Balkan peninsula I went across the Caucasus to Central Asia and Persia and finally in 1887 visited India an admirable country which had attracted me from my earliest childhood My purpose in this journey was to study and know at home the peoples who inhabit India and their customs the grand and mysterious arch ology and the colossal and majestic nature of their country Wandering about without fixed plans from one place to another I came to

mountainous Afghanistan whence I regained India by way of the picturesque passes of Bolan and Guerna Then going up the Indus to Raval Pindi I ran over the Pendjab the land of the five rivers visited the Golden Temple of Amritsa the tomb of the King of Pendjab Randjid Singh near Lahore and turned toward Kachmyr The Valley of Eternal Bliss Thence I directed my peregrinations as my curiosity impelled me until I arrived in Ladak whence I intended returning to Russia by way of Karakoroum and Chinese Turkestan One day while visiting a Buddhist convent on my route I learned from a chief lama that there existed in the archives of Lhasa very ancient memoirs relating to the life of Jesus Christ and the occidental nations and that certain great monasteries possessed old copies and translations of those chronicles As it was little probable that I should make another journey into this country I resolved to put off my return to Europe until a later date and cost what it might either find those copies in the great convents or go to Lhasa a journey which is far from being so dangerous and difficult as is generally supposed involving only such perils as I was already accustomed to and which would not make me hesitate at attempting it

Book of Jesus The Jesus Books,2014-12 Almost the whole of the New Testament is devoted not to the portrayal of the significant and inspiring religious life of Jesus but to a discussion of Paul s religious experience and to a portrayal of his personal religious convictions The New Testament is a superb Christian document but it is only meagerly Jesusonian One of the most important things in human living is to find out what Jesus believed to discover his ideals **The Person and Place of Jesus Christ** P T.
