**Love's Seasons & Blossoms, Love's Fall & Leaves** Andrew Patton, 2013-04-29 Within these pages are nothing more than my true experiences of love chases pursuits crushes and fallings A small little pinch of poems and romantic sayings ramblings texts and notes given unappreciated and innocent from a guy who is still currently looking for true love Love blossoms so beautifully the seasons the two of you share pass and memories trust and feelings should be invested upon bonded and adhered but sometimes those seasons pass and some new strange cold winds blow sweeping whatever love you had away Love makes you fall for someone like a leaf hewing down in slices sure the swipes can keep it in the air light and happy but eventually sometimes that leaf hits the ground and it leaves love leaves sometimes [Love Is](#) , [No More Dice](#)

Sandy Appleyard, 2021-10-23 Some angels wear cowboy hats Some villains wear poker faces Home isn't always where the heart is and sometimes it isn't only the good that die young Luellen was raised by her uncle and aunt in a God fearing home with little sentiment for life and love So the young girl grows up feeling like she's a freak for being emotional at the drop of a hat and for her pronounced reticence People stare at her and spread rumors about the orphan girl who doesn't grow up to be a regular Texan woman What is wrong with Luellen is something only one person knows but the why is the part that a dear friend figures out in time Hawk is a grouchy overworked stubborn rancher who has been left to tend to the ranch with his last two brothers who in his opinion are about as useless as tits on a bull as Texans put it This after his two best ranch hands leave his older brother to move away and start a new career and his younger brother to help at a ranch in the same town as the older brother Hawk is hated by many for his fiery temper and loose cannon attitude until the day someone leaves a secret treasure in his mailbox shortly after he nearly attacks that someone It takes days for Hawk to see what only her best friend has seen for years But he can't do anything about it without betraying Luellen's trust Chance takes over and the one thing that has haunted Luellen since her parents death disappears But can she grow up to love and live life the way she deserves And will a serendipitous gathering save the lives of others Find out in *No More Dice* a beautiful heart wrenching love story that brings together two characters from previous books and ties in the story arc with two other couples who fell in love earlier in the series Don't miss book seven FYI it has another painful cliff hanger so be warned HEA Happily Ever After Ranch romance Cowboy romance Friends to lovers romance Physical abuse non descriptive Mild violence Medium heat Course language Cliffhanger ending [Focus On: 100 Most Popular Vaudeville Performers](#) Wikipedia contributors,
