Pdf Raising Uncommon Kids Biblical Selfless:

Raising Uncommon Kids Sami Cone, 2016-01-12 The single greatest lesson parents teach their kids isn't anything they say it's what they do. And while most parents would say they want to raise compassionate kids, they might be surprised to discover just how little they're actually modeling the behaviors they hope to pass on: qualities such as unconditional love, gentleness, forgiveness, patience, gratitude, humility, and more. In this unique book, Sami Cone shows parents a new way to look at molding their children, one in which focusing on adding good behaviors and attitudes is more powerful than eliminating bad ones. Grounding her advice in Scripture specifically the twelve characteristics found in Colossians 3:12-17, Cone offers plenty of stories from her own life to show these principles in action. And she offers practical things parents can do right now to create a home and family that exhibits love, harmony, and generosity of spirit in a self-centered world.

He equips parents with what they need to raise kids whose focus is not always on themselves. Some topics include: Becoming Others-Focused, Service, Generosity, Forgiveness, and much more. Preaching is his gift, but Pastor Dave Stone's family is his life's blessing. And after raising three kids of his own, as well as shepherding the diverse families of his twenty thousand member congregation, his heart and passion for building strong families rings louder than ever. He knows that raising faithful families is a vital key to continued growth of the church.
