Pdf Online Cadillac Tax Employer Health Plans:

The Economics of ObamaCare Łukasz Jasiński, 2023-04-18 The Patient Protection and Affordable Care Act commonly referred to as ObamaCare or PPACA which was signed into US law in 2010 generated a lot of noise from both supporters and detractors. This book argues that the changes introduced by ObamaCare were in the long history of government intervention in the US health system generally not as new or novel as claimed. The scope of the changes introduced by ObamaCare is very wide and covers among others the health insurance industry, pharmaceuticals, employers, employees or the uninsured. The structure of the book shows the individual causes, key assumptions and impacts of the reform on individual elements or areas of the US health system. One of the most important aspects of the work is analysis of the phenomenon of the so-called death spiral. The changes introduced by ObamaCare reform make it possible to investigate the causes of this phenomenon on a country-wide scale and enable a broader analysis of its effects. The book will be of great interest to readers in the economics, management and policy of health and health care.

The Complete Guide to Human Resources and the Law Dana Shilling, 2012-10-04 The Complete Guide to Human Resources and the Law will help you navigate complex and potentially costly Human Resources issues. You'll know what to do and what not to do to avoid costly mistakes or oversights, confront HR problems legally and effectively, and understand the rules. The Complete Guide to Human Resources and the Law offers fast, dependable plain English legal guidance for HR related situations from ADA accommodation, diversity training and privacy issues to hiring and termination, employee benefit plans, compensation and recordkeeping. It brings you the most up-to-date information as well as practical tips and checklists in a well-organized, easy-to-use resource. The 2010 Edition provides new and expanded coverage of issues such as: Discussion of the economic recovery measures under the Emergency Economic Stabilization Act of 2008, the Worker Retiree and Employer Recovery Act of 2008, and the American Recovery and Reinvestment Act of 2009. The PBGC flat rate premium for single employer plans for 2009 is 34 participant. The requirement of distributing Summary Annual Reports to participants and beneficiaries has been replaced by the requirement of issuing annual funding notices for most benefit plans. DOL issued a model notice and FAQs for implementing the requirement. Courts continued to develop standards under *Metropolitan Life Insurance v. Glenn*, 128 S. Ct. 2343 (2008) for reviewing claims decisions made by decision makers such as plan sponsors and insurers that have a conflict of interest because they are responsible for paying whatever claims are allowed. The Children's Health Insurance Program Reauthorization Act of 2009 (Pub. L. 111-3) CHIPRA intended to improve coordination between EGHPs and state Medicaid and SCHIP coverage for uninsured children. Plans caused EGHP and cafeteria plans to be amended. Michellersquo's Law (Pub. L. 110-381) requires EGHPs to extend coverage to employees' dependent children who are covered as postsecondary students if they have to interrupt their studies for health-related reasons. More states allowed same-sex couples to marry or have legally related domestic partnerships or civil unions with implications for work-related benefit plans that cover spouses. The requirement of

benefit parity between mental and physical illnesses was made permanent by EESA The HITECH Act Health Information Technology for Economic and Clinical Health part of ARRA was enacted to strengthen the privacy and security rules under HIPAA and to promote broader usage of electronic medical records State Attorneys General now have the power to enforce HIPAA through suits in federal court The Lilly Ledbetter Fair Pay Act Pub L 111-2 was enacted It increases the number of employment discrimination suits that can be brought by reversing the Supreme Court's decision that the timing rules for lawsuits begin when an allegedly discriminatory practice is adopted The Supreme Court extended its string of pro arbitration cases by ruling in 14 Penn Plaza LLC v Pyett 129 S Ct 1456 4 1 09 that a collective bargaining agreement clause that clearly obligates union members to arbitrate ADEA claims is enforceable The Supreme Court held that federal labor law preempts a California law that forbade employers that receive state contracts or other funding to discuss union matters with employees As long as employers avoid coercion federal law seeks to promote wide open debate on labor issues Chamber of Commerce v Brown 128 S Ct 2408 2008 Another Supreme Court ruling discussed allows unions to charge non members who pay agency fees in lieu of joining the union amounts representing certain expenses of national litigation Locke *Employment Law Update 2013* Jr. Perritt, Henry H., 2013-03-12 2013 Employment Law Update analyzes recent developments in caselaw of interest to employment law practitioners representing plaintiffs defendants and labor unions and comprehensively covers recent developments in the rapidly changing employment and labor law field Comprised of ten chapters each written by an expert in employment law this edition provides timely incisive analysis of critical issues Employment Law Update provides where appropriate checklists forms and guidance on strategic considerations for litigation and other forms of dispute resolution
