**Resources in Education**, 1984    **Out-of-school Science Activities for Young People** R. A. Stevens, 1969  
**Primary Reading Skills Activities Kit** Elizabeth A. McAllister, 1987    Ideas for Teaching Science in the Junior High School National Science Teachers Association, 1963    **Science and Science Teaching** Sharon Sherman, Robert Scott Sherman, 2004 This core text for the K-8 methods course in science is a practical guide to teaching science in inquiry centered and standards based classrooms. Its inclusive coverage of the major domains of science includes examples from the studies of life, physics, earth, space and environment. This edition integrates technology thoroughly with science content, instructional methods and cues to monitoring student development    **A Handbook of Library Ideas** Dale E. Shaffer, 1977

**Ideas and Insights** Dorothy Jo Watson, 1987 Intended to provide elementary school language arts teachers with new and interesting teaching activities, this book contains over 100 teacher tested classroom activities that are based on the whole language approach to learning. Chapters discuss the following: 1 a world of language in use, 2 literature points the way, including themes and organization, literature and experience and extended literature, 3 making sense by reading, including predictions and expectations, reading awareness and control, invitations to read and music, drama and reading, 4 writing for self expression, 5 learning to write by writing, 6 writing for an audience including developing a sense of audience and messages, notes and letters, 7 reading, writing, listening and speaking across the curriculum including language arts across the curriculum and reading and writing newspapers, 8 kids helping other kids, the collaborative effort including cooperative learning and games and holiday activities, 9 home is where the start is and 10 valuing and evaluating learners and their language. The 15 page bibliography contains sections on read aloud books, wordless books, extending literature and reading, leading to writing, predictable language, predictable life experience books for upper elementary children, sing along books, children's magazines and publishers of children's writing. A list of teaching activities in the book is included. SKC
