*The American*, 1899      *Ticket Scalping* Kerry Segrave, 2006-11-15 Ticket scalping is as much an American staple as apple pie Beginning as early as the mid 1800s scalpers known as sidewalk men were charging all the traffic would bear for event tickets Although these speculators were generally viewed as pariahs and public opinion was against the practice legal attempts to limit their activities were far from successful Boston enacted laws as early as 1873 while Pennsylvania followed suit in 1884 Still such measures did little good since some laws were declared unconstitutional and for the ones that were upheld the fines were negligible with jail time rarely served Over the years as moral objections to scalping dimmed the public became more tolerant as the practice became increasingly prevalent By the 1990s the capitalist mantras of free market and economic principles of supply and demand were even being used to justify the practice This volume details the ways in which scalping has changed over the years from a one man business to an agency controlled enterprise from performances by Jenny Lind to Billy Joel The book examines the general situation public opinion and legal perception of scalping for four distinct periods 1850 1899 1900 1917 1918 1949 and 1950 2005 Emphasis is placed on the ways in which public and legal perception of the practice has evolved over this period Scalping slowly gaining a more positive status has become more accepted as part of the economic practice of free markets      **The Edinburgh Review**, 1906      *The Independent*, 1884      *Everything Guide To Las Vegas* Jason Rich, 2000-11-01 Planning a trip to Las Vegas can seem overwhelming but it doesn't have to be that way This completely updated book offers detailed information on how to save time and money while making the most of the vacation Two color with illustrations throughout      **Frommer's New York City from \$90 a Day 2003** Cheryl Farr Leas, 2002-09-19 Frommer's is the name you can trust for great travel bargains Our acclaimed a Day series is not for backpackers who want to rough it but for travelers with taste who've outgrown their student lifestyle and demand comfortable accommodations and good authentic meals at a reasonable price Each guide is loaded with detailed listings for mom and pop motels B Bs comfortable guesthouses good value bistros and ethnic restaurants You'll find a bargain hunter's shopping guide affordable fun after dark and complete sightseeing coverage including the best things to do for free or almost Our expert authors have already gone everywhere you might go they've done the legwork for you and they're not afraid to tell it like it is saving you time and money Every Frommer's a Day Guide is up to date with dozens of color maps and exact prices for every single expense so you can accurately plan each day's budget Frommer's knows that affordable travel doesn't have to mean making sacrifices It's about having fun and getting a great deal New York is notorious for its high prices The answer Frommer's New York from 90 a Day which makes the Big Apple affordable for anyone Unlike most of the competition it's thoroughly updated every year to keep on top of the latest changes in this fast paced city The guide is meticulously researched by our expert author who has uncovered the city's best bargains You'll rely on her candid indepth reviews of the city's best bargain accommodations from rooms in charming B Bs to spacious family suites plus her tips on finding great
