*Spanish language* Anton Knoflach, 1887    *Books in Spanish for Children and Young Adults* Isabel Schon, 1978  
Like its predecessors this book serves as a guide to any adult interested in selecting books in Spanish for children in preschool through high school. Most of the books included in the guide have been published since 1984 and come from Argentina, Chile, Colombia, Costa Rica, Cuba, Dominican Republic, Mexico, Nicaragua, Puerto Rico, Spain, Sweden, the U.S., Uruguay, and Venezuela.

**Latino Language and Literacy in Ethnolinguistic Chicago** Marcia Farr, 2005-01-03  
This volume along with its companion *Ethnolinguistic Chicago: Language and Literacy in the City's Neighborhoods* fills an important gap in research on Chicago and more generally on language use in globalized metropolitan areas. Often cited as a quintessential American city, Chicago is and always has been a city of immigrants. It is one of the most linguistically diverse cities in the United States and home to one of the largest and most diverse Latino communities. Although language is unquestionably central to social identity and Chicago has been well studied by scholars interested in ethnicity until now no one has focused as do the contributors to these volumes on the related issues of language and ethnicity. *Latino Language and Literacy in Ethnolinguistic Chicago* includes ethnographic studies based in home settings that focus on ways of speaking and literacy practices; studies that explore oral language use and literacy practices in school contexts and studies based in community spaces in various neighborhoods. It offers a rich set of portraits emphasizing language use as centrally related to ethnic, class, or gender identities. As such it is relevant for anthropologists, sociologists, linguists, historians, educators, and educational researchers and others whose concerns require an understanding of ground level phenomena relevant to contemporary social issues and as a text for courses in these areas.
