Michael Cimino Interview:

Cimino Charles Elton, 2022-03-29 The revelatory The New Yorker first biography of critically acclaimed then critically derided filmmaker Michael Cimino and a reevaluation of the infamous film that destroyed his career The director Michael Cimino 1939 2016 is famous for two films the intense powerful and enduring Vietnam movie The Deer Hunter which won Best Picture at the Academy Awards in 1979 and also won Cimino Best Director and Heaven s Gate the most notorious bomb of all time Originally budgeted at 11 million Cimino s sprawling western went off the rails in Montana The picture grew longer and longer and the budget ballooned to over 40 million When it was finally released Heaven s Gate failed so completely with reviewers and at the box office that it put legendary studio United Artists out of business and marked the end of Hollywood s auteur era Or so the conventional wisdom goes Noted television producer and author Charles Elton delves deeply into the making and aftermath of the movie and presents a surprisingly different view to that of Steven Bach one of the executives responsible for Heaven s Gate who wrote a scathing book about the film and solidified the widely held view that Cimino wounded the movie industry beyond repair Elton s Cimino is a richly detailed biography that offers a revisionist history of a lightning rod filmmaker Based on extensive interviews with Cimino s peers and collaborators and enemies and friends most of whom have never spoken before it unravels the enigmas and falsehoods many perpetrated by the director himself which surround his life and sheds new light on his extraordinary career This is a story of the making of art the business of Hollywood and the costs of ambition both financial and personal **Her Again** Michael

Schulman, 2016-04-26 Her Again is an intimate look at the artistic coming of age of the greatest actress of her generation from the homecoming float at her suburban New Jersey high school to her star making roles in The Deer Hunter Manhattan and Kramer vs Kramer The book charts Meryl Streep s heady rise to stardom on the New York stage her passionate tragically short lived love affair with fellow actor John Cazale and her evolution as a young woman of the 1970s wrestling with changing ideas of feminism marriage love and sacrifice This is a captivating story of the making of one of the most revered artistic careers of our time offering a rare glimpse into the life of the actress long before she became an icon **Martin**
