## **Michael Jackson Interview Barbara Walters:**

Michael Jackson's Radical Aesthetic Willa Stillwater, 2025-12-29 This two volume work encourages students fans and scholars to take an expansive view of Michael Jackson's art. Focusing on his films which it approaches as exquisite works of art as well as a theoretical framework for interpreting his other work it demonstrates the depth and scope of his art and its far reaching cultural significance. Specifically it demonstrates how Jackson engaged in a sophisticated process of telling untelling and retelling entrenched cultural narratives that perpetuate prejudice and how he modified affective responses to racial signifiers and other marks of difference. In this way Jackson confronted prejudice more profoundly than any other American artist in recent memory. This work also takes a detailed look at the allegations of child sexual abuse. These were so shattering for Jackson both personally and creatively that his life and career divide into two parts a division reflected in the two volume structure of this work. Volume One focuses on Jackson's early films followed by analysis of the allegations including historical factors that may have influenced how the police press and public reacted. Volume Two then focuses on the art Jackson created in response including some of the most poignant political and significant work of his career. Volume Two also looks at evolving perceptions of Jackson's face and persona approaching them as revolutionary yet deeply troubling works of art works that became even more unsettling as Jackson wrestled with the intense emotions unleashed by the abuse allegations. It posits that popular perceptions of Jackson's face and persona were illusions that performed critically important cultural functions and that Jackson himself the man behind the illusion was a trickster artist. It concludes that Jackson was the most important American artist of our time and that his face was his masterpiece. However it only arrives at these conclusions after careful analysis of his films. It's through his films that Jackson articulates his aesthetic. Therefore it's his films that make his face legible.

**On: 100 Most Popular American Dance Musicians** Wikipedia contributors, **The Millennial and the King** Miriam Schwellnus, 2025-03-17 Would you rather believe a comfortable lie or the messy truth? *The Millennial and the King* is a sharp self-aware and darkly funny reckoning with the power of narratives how they protect the powerful pacify the public and shape our personal lives in ways we rarely admit. Told through the eyes of a fan turned legacy detective this book unravels the most successful public relations campaign in pop culture history the mythmaking of Michael Jackson. From the highs of *Thriller* to the lows of courtroom scandal from teenage adoration to adult criticism the author takes one last ride through the King of Pop's carefully curated kingdom in search of the truth. Part media autopsy part midlife reckoning part PR masterclass this genre-blurring literary collage explores our hunger for stories even when they serve someone else's agenda. *The Millennial and the King* zigzags between personal essay cultural analysis and anecdotal memoir parodying 90s movies YouTube shows and the absurdity of fandom. Using AI while it's still cute the two protagonists even meet for an interview that transcends time reality and probably ethics. For anyone who's ever gone to battle for their hero only to find themselves on the

wrong side of history The Millennial and the King is a reminder that some stories are designed to entertain and others are designed to control   **Focus On: 100 Most Popular Grammy Lifetime Achievement Award Winners** Wikipedia contributors,   **Focus On: 100 Most Popular American Rock Songwriters** Wikipedia contributors,   **The Dangerous Philosophies of Michael Jackson** Elizabeth Amisu,2016-09-26 An essential companion to Michael Jackson s music films and books this work offers 21 original academic essays on all things Jackson from film music and dance to fashion culture and literature Going well beyond the average celebrity biography this comprehensive book looks at why Jackson is regarded as one of the most important musicians of our time offering insights into every facet of his art life and artistic afterlife It looks at the methods by which his work was created presented received and appropriated discusses Jackson s varied personas along with his public and private appearances albums conceptual art short films and dance and considers his use of costume makeup and reinvention To help readers understand the phenomenon that was and is Michael Jackson the book focuses on Jackson s historical context through an analysis of his films songs and books examining him as an artist and shedding light on the political and ideological debates that surrounded him Not shying away from the controversial aspects of Jackson s life and legacy it also tackles questions of sexuality and racism gender and class comparing Jackson to artists ranging from J S Bach to Andy Warhol Through its examination of Jackson s entire catalog the work connects all the aspects of his art and life to exemplify and explain the performer s unparalleled influence in the 20th and 21st centuries   **The Year in Television, 2009** Vincent Terrace,2014-01-10 This reference work is a chronicle of all the first run entertainment programs broadcast from January 1 to December 31 2009 Included are series TV movies aired pilots specials miniseries and Internet series Alphabetically arranged entries provide casts storylines production credits networks broadcast dates and excerpts from newspaper reviews New to this volume is a listing of the highlights of the year and coverage of all the unaired pilots produced for the 2008 2009 season   **Michael Jackson, the King of Pop** Jel D.
