## Fall "Barn Plus!" Tour Report

On Tuesday, October 4th, from 9:00am to 3:00pm, a hundred Fall of barn enthusiasts enjoyed what we organized as a "Barn Plus!" tour to Isabella and Clare Counties. The tour showcased the actual completion of exceptional barn restorations, and we also visited a shed adding manufacturing fluting and two barns that were under an early phase.

The tour started in Rosebush at Lifeside Metal Sales, where we had an informative tour. After heading to the Parsons Barn in Clare, the group had a wonderful lunch at the White Barn House.

The last portion of the day's journey was spent visiting three barns with three short miles of each other. Perhaps most interesting from the perspective of the MI BARN's mission—was the Parsons barn. The barn has two levels of constant floors and located livestock on both floors at one time. It is raised on the back side, so equipment could drive into the second level. A track for a feed cart and manure cart still circled the second level. The side of the end of the barn is integrated with three round windows. No side window will fit in it. The interior shows how design to meet people on the farm. Currently the first level houses feed cattle and the second level is storage for construction supplies. With a good roof, this barn will last a long time for miles.

"After we visit there, I realized that this was the best single contribution that we could that day," says MI BARN Board President Steve Ivers. "This is an example of a barn that needs restoration... and preservation is being done. It is an excellent illustration of what we hope others will do with older barns."

It takes a community to make events like this happen. My biggest reward is meeting new people, including barn owners and neighbors. We had a generous dinner—again, with the focus at Life-

sie Sales were so much help. They were closed up the morning before for us. Of course, we gave them all of the leftover food. I don't think either all of the volunteers and board members who helped with a variety of others. We couldn't do it without you!"

—Steve Ivers, MI BARN Program Chair

### Pre-Tour Board Meeting, Dinner, and Presentation Set the Stage

This year the fall barn tour was preceded by a meeting of the MI BARN Board and a dinner presentation. The meeting and dinner took place at an Isabella farm in Rosebush. Opposite generous portions of Isabella have presented by County State Officers included some varieties of chicken and quail, milk, mashed potatoes, salad, homemade noodles, gravy, vegetables, coffee, and two types of pie.

Following dinner, Past President and Technical Committee Chair Steve Ivers made an informative presentation centered around the work of local restoration contractor Frank Graham. Coincidentally, Frank worked on the last barns to this year's fall barn tour. Steve and I have visited with Frank and visited places and stories of three generations of barn building and repair in Isabella County and beyond.

All in all, the Board meeting was productive, the fall dinner was so fun, and the unique Michigan barns and other played a part in providing the special name for the event: the "Barn Plus! Tour." We hope that you'll join us for future tours.
