Becoming Abolitionists Derecka Purnell, 2021-10-05 A NONAME BOOK CLUB PICK Named a Kirkus Reviews Best Book of 2021 Becoming Abolitionists is ultimately about the importance of asking questions and our ability to create answers And in the end Purnell makes it clear that abolition is a labor of love one that we can accomplish together if only we decide to

Nia Evans Boston Review For more than a century activists in the United States have tried to reform the police From community policing initiatives to increasing diversity none of it has stopped the police from killing about three people a day Millions of people continue to protest police violence because these solutions do not match the problem the police cannot be

reformed In *Becoming Abolitionists* Purnell draws from her experiences as a lawyer writer and organizer initially skeptical about police abolition She saw too much sexual violence and buried too many friends to consider getting rid of police in her hometown of St Louis let alone the nation But the police were a placebo Calling them felt like something and something feels like everything when the other option seems like nothing Purnell details how multi racial social movements rooted in rebellion risk taking and revolutionary love pushed her and a generation of activists toward abolition The book travels across geography and time and offers lessons that activists have learned from Ferguson to South Africa from Reconstruction to contemporary protests against police shootings Here Purnell argues that police can not be reformed and invites readers to envision new systems that work to address the root causes of violence *Becoming Abolitionists* shows that abolition is not solely about getting rid of police but a commitment to create and support different answers to the problem of harm in society and most excitingly an opportunity to reduce and eliminate harm in the first place [Who's Who Among Hispanic Americans](#)
