Paulo Coelho Philosophy:

A Thematic Study of Life Philosophy in Paulo Coelho's "The Alchemist" Raval Vikas, 2014-01 Life philosophy constitutes one of the most important pillars of life studies. The fundamental task of philosophy of life is to think deeply about the questions: what is life and the way of living life. Paulo Coelho is among those writers whose aim of teaching life philosophy means the meaning of life and the way of living life through their works. This book deals with the philosophical and thematic study of *The Alchemist* that talks about a young Andalusian shepherd named Santiago in his journey to Egypt after having a recurring dream of finding treasure there. *The Alchemist* is more self-help than literature. An old king tells Santiago when you really want something to happen, the whole universe conspires so that your wish comes true. This is the core of the novel's philosophy and a motif that plays all throughout Coelho's writing in *The Alchemist*. *Manual of the Warrior of Light* Paulo Coelho, 2003 A collection of inspirational thoughts and stories from bestselling author of *The Alchemist* Paulo Coelho. A collection of insightful philosophical thoughts and stories in which Paulo Coelho offers inspiring answers to profound questions to delight spiritual seekers everywhere. It has proved to be a perfect gift book in the few countries in which it has been published so far. This will be the first English translation. This book is a jewel for all of us who look for meaning in our daily lives as we struggle along the spiritual path. Within each of us is a Warrior of Light. Each of us capable of listening to the silence of the heart, of accepting failure without letting it get us down and of holding onto hope even in the face of weariness and depression. Values like love for all things, discipline, friendship, and learning to listen to our own hearts are the arms with which this warrior confronts the battles we face in the name of personal growth and in the defence of the light. On every page there is an inspirational thought which can be read as part of Paulo Coelho's whole philosophy or used as the basis of a daily meditation. *The Manual of the Warrior of Light* is a handbook that shows human beings how to live as spiritual beings in the material world. **The Pilgrimage** Paulo Coelho, 2008-09-02 *The Pilgrimage* paved the way to Paulo Coelho's international bestselling novel *The Alchemist*. In many ways, these two volumes are companions to truly comprehend one, you must read the other. Step inside this captivating account of Paulo Coelho's pilgrimage along the road to Santiago. This fascinating parable explores the need to find one's own path. In the end, we discover that the extraordinary is always found in the ordinary and simple ways of everyday people. Part adventure story, part guide to self-discovery, this compelling tale delivers the perfect combination of enchantment and insight. *Aleph* Paulo Coelho, 2011-09-01 Another stunning novel by the author of *The Alchemist*. *The Valkyries* Paulo Coelho, 2005 This is a modern-day adventure story featuring Paulo's supernatural encounter with angels who appear as warrior women and travel through the Mojave desert on their motorbikes. *Warrior of the Light* Paulo Coelho, 2009-03-17 A timeless short story collection for awakening the warrior within and becoming the hero of your own story.
